

Treasury, in consultation with the Secretary of State and the Attorney General, acting pursuant to authorities set forth in the Order designated four additional persons whose property and interests in property are blocked. The names of these additional persons are set forth in the list below. Persons, and their known aliases, will be added to appendix A to 31 CFR chapter V, through a separate Federal Register document, as "specially designated global terrorists" identified by the initials "[SDGT]". Appendix A lists the names of persons with respect to whom transactions are subject to the various economic sanctions programs administered by the Office of Foreign Assets Control.

The designations by the Secretary of the Treasury pursuant to Executive Order 13224 of these additional persons listed below are effective on September 30, 2002. All property and interests in property of any designated person, including but not limited to all accounts, that are or come within the United States or that are or come within the possession or control of United States persons, including their overseas branches, are blocked and may not be transferred, paid, exported, withdrawn, or otherwise dealt in, and all transactions or dealings by U.S. persons or within the United States in property or interests in property of any designated person are prohibited, unless licensed by the Office of Foreign Assets Control or exempted by statute.

In Section 10 of the Order, the President determined that because of the ability to transfer funds or assets instantaneously, prior notice to persons listed in the Annex to, or determined to be subject to, the Order who might have a constitutional presence in the United States, would render ineffectual the blocking and other measures authorized in the Order. The President further determined that no prior notification of a determination need be provided to any person who might have a constitutional presence in the United States. In furtherance of the objectives of the Order, the Secretary of the Treasury has determined that no prior notice should be afforded to the subjects of the determinations reflected in this notice because to do so would give the subjects the opportunity to evade the measures described in the Order and, consequently, render those measures ineffectual toward addressing the national emergency declared in the Order.

The list of additional designations follow:

1. BAHAJI, Said, Bunatwiete 23, 21073 Hamburg, Germany; DOB 15 Jul 1975; POB Haselunne, Lower Saxony, Germany (individual).
