AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice.

SUMMARY: For each award year, the Secretary publishes in the **Federal Register** a notice announcing the FAFSA information that an institution and an applicant may be required to verify, as well as the acceptable documentation for verifying FAFSA information. This is the notice for the 2023–2024 award year, Assistance Listing Numbers 84.007, 84.033, 84.063, and 84.268.

FOR FURTHER INFORMATION CONTACT:

SUPPLEMENTARY INFORMATION: If the Secretary selects an applicant for verification, the applicant’s Institutional Student Information Record (ISIR) includes flags that indicate (1) that the

applicant has been selected by the Secretary for verification and (2) the Verification Tracking Group (VTG) in which the applicant has been placed. The VTG indicates which FAFSA information needs to be verified for the applicant and, if appropriate, for the applicant’s parent(s) or spouse. The Student Aid Report (SAR) provided to the applicant will indicate that the applicant’s FAFSA information has been selected for verification and direct the applicant to contact the institution for further instructions for completing the verification process.

To help institutions and applicants deal with the challenges resulting from the novel coronavirus disease (COVID-19) pandemic, the Secretary has provided flexibilities to the verification regulations through the end of the first payment period that begins after the date that the COVID-19 national emergency is rescinded.

The following chart lists, for the 2023–2024 award year, the FAFSA information that an institution and an applicant and, if appropriate, the applicant’s parent(s) or spouse may be required to verify under 34 CFR 668.56. The chart also lists the acceptable documentation that must, under § 668.57, be provided to an institution for that information to be verified.
