Needs and Uses: These provisions supplement the procedures for filing petitions seeking Commission preemption of state and local government regulation of telecommunications services. They require that such petitions, whether in the form of a petition for rulemaking or a petition for declaratory ruling, be served on all state and local governments (the actions for which are cited as a basis for requesting preemption.) Thus, in accordance with these provisions, persons seeking preemption must serve their petitions not only on the state or local government whose authority would be preempted, but also on other state or local governments whose actions are cited in the petition.
