These events also increase the ability of beneficiaries to identify fraud, waste, and abuse within health care programs generally, and Medicare/Medicaid specifically. Grant funds were made available to support information, counseling, and assistance activities related to Medicare, Medicaid, and other health insurance options.

The SMP mission is to empower and assist Medicare beneficiaries, their families, and caregivers, to prevent, detect, and report suspected healthcare fraud, errors, and abuse through outreach, counseling, and education.

SMP grantees support ACL’s goals of promoting increased choice and greater independence among older adults and individuals with disabilities. SMP activities enhance the financial,
