*Request for Comments:* OTS may not  
conduct or sponsor an information  
collection, and respondents are not  
required to respond to an information  
collection, unless the information  
collection displays a currently valid  
OMB control number.

In this notice, OTS is soliciting  
comments concerning the following  
information collection.

*Statutory Requirement:* 12 U.S.C.  
1464(v) imposes reporting requirements  
for savings associations.

*OMB Control Number:* 1550-0023.

*Form Number:* 1313.

*Type of Review:* Revision of currently  
approved collections.

*Frequency of Response:* Quarterly;  
annually.

*Affected Public:* Business or other for-  
profit.

*Estimated Number of Respondents:*  
753 savings associations.

*Estimated Burden Hours per  
Respondent:* 60.0 hours average for  
quarterly schedules and 2.0 hours  
average for schedules required only  
annually plus recordkeeping of an  
average of one hour per quarter.

*Estimated Total Annual Burden:*  
188,712 burden hours.

OTS is proposing to revise the TFR,  
which is currently an approved  
collection of information, in March  
2011. The effect on reporting burden of  
the proposed revisions to the TFR  
requirements will vary from institution  
to institution depending on the  
institution's asset size and its  
involvement with the types of activities  
or transactions to which the proposed  
changes apply.

The proposed TFR changes that  
would take effect as of March 31, 2011  
would change the reporting frequency  
for the number and market value of  
collective investment funds and  
common trust funds data reported in  
Memorandum Item 3 of Schedule FS,  
revise several existing lines, add new  
lines to the TFR, and add a new  
Schedule VI, Variable Interest Entities.

OTS estimates that the  
implementation of these reporting  
revisions will result in an increase in  
the current reporting burden imposed  
by the TFR on all savings associations.

As part of the approval process, we  
invite comments addressing one or more  
of the following points:

a. Whether the proposed revisions to  
the TFR collections of information are  
necessary for the proper performance of  
the agency's functions, including  
whether the information has practical  
utility;

b. The accuracy of the agency's  
estimate of the burden of the collection  
of information;

c. Ways to enhance the quality,  
utility, and clarity of the information to  
be collected;

d. Ways to minimize the burden of  
information collections on respondents,  
including through the use of automated  
collection techniques, the Internet, or  
other forms of information technology;  
and

e. Estimates of capital or start-up costs  
and costs of operation, maintenance,  
and purchase of services to provide  
information.

OTS will summarize the comments  
received and include them in the  
request for OMB approval. All  
comments will become a matter of  
public record.

Dated: November 10, 2010.
