

maintain their competitive standing in the financial markets.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-BX-2020-025 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090. All submissions should refer to File Number SR-BX-2020-025. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written

communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change. Persons submitting comments are cautioned that we do not redact or edit personal identifying information from comment submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-BX-2020-025 and should be submitted on or before October 9, 2020.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹¹

J. Matthew DeLesDernier,

Assistant Secretary.

BILLING CODE 8011-01-P

SURFACE TRANSPORTATION BOARD

[Docket No. AB 290 (Sub-No. 409X)]

Norfolk Southern Railway Company—Abandonment Exemption—in the City of Clifton, Passaic County, NJ

Norfolk Southern Railway Company (NSR) has filed a verified notice of exemption under 49 CFR part 1152 subpart F—*Exempt Abandonments* to abandon an approximately 0.4-mile rail line extending from milepost IA 12.5 to milepost IA 12.9 in the City of Clifton in Passaic County, N.J. (the Line). The Line traverses U.S. Postal Service Zip Code 07011.

NSR has certified that: (1) No local traffic has moved over the Line for at least two years; (2) no overhead traffic has moved over the Line for at least two years, and overhead traffic, if there were any, could be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the Line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been

decided in favor of complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7 and 1105.8 (notice of environmental and historic report), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

Any employee of NSR adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received,¹ the exemption will be effective on October 18, 2020, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2), and interim trail use/rail banking requests under 49 CFR 1152.29 must be filed by September 28, 2020.³ Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by October 8, 2020, with the Surface Transportation Board, 395 E Street SW, Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to NSR's representative, William A. Mullins, Baker & Miller PLLC, 2401 Pennsylvania Ave. NW, Suite 300, Washington, DC 20037.

If the verified notice contains false or misleading information, the exemption is void ab initio.

NSR has filed a combined environmental and historic report that addresses the potential effects, if any, of the abandonment on the environment and historic resources. OEA will issue a Draft Environmental Assessment (Draft EA) by September 25, 2020. The Draft

¹ Persons interested in submitting an OFA must first file a formal expression of intent to file an offer, indicating the type of financial assistance they wish to provide (*i.e.*, subsidy or purchase) and demonstrating that they are preliminarily financially responsible. See 49 CFR 1152.27(c)(2)(i).

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Filing fees for OFAs and trail use requests can be found at 49 CFR 1002.2(f)(25) and (27), respectively.

¹⁰ 15 U.S.C. 78s(b)(3)(A)(ii).

¹¹ 17 CFR 200.30-3(a)(12).

EA will be available to interested persons on the Board's website, by writing to OEA, or by calling OEA at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Relay Service at (800) 877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the Draft EA becomes available to the public.

Environmental, historic preservation, public use, or interim trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), NSR shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the Line. If consummation has not been effected by NSR's filing of a notice of consummation by September 18, 2021, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available at www.stb.gov.

Decided: September 14, 2020.

By the Board, Allison C. Davis, Director, Office of Proceedings.

Regena Smith-Bernard,
Clearance Clerk.

BILLING CODE 4915-01-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

[Docket No. FAA-2020-0873; Notice of Availability Docket No. 20-AEA-17]

Notice of Availability of the Final Environmental Assessment (Final EA)/ Finding of No Significant Impact (FONSI) and the Record of Decision (ROD) for the Teterboro Airport RNAV (GPS) RWY 19 Offset Arrival Procedure

AGENCY: Federal Aviation Administration, (FAA), DOT.

ACTION: Notice of availability.

SUMMARY: The FAA, Eastern Service Center, is issuing this notice to advise the public of the availability of the Final Environmental Assessment (Final EA)/ Finding of No Significant Impact (FONSI) and the Record of Decision (ROD) for the Teterboro Airport RNAV (GPS) RWY 19 Offset arrival procedure. The Final EA/FONSI/ROD documents that the project is consistent with FAA Order 1050.1F, *Environmental Impacts: Policies and Procedures* and with existing national environmental policies and objectives set forth in Section 101

of the National Environmental Policy Act of 1969. (NEPA), Council on Environmental Quality regulations, the requirements of Section 106 of the National Historic Preservation Act, and all other applicable special purpose laws. The project will not significantly affect the quality of the human environment or otherwise include any condition requiring consultation.

SUPPLEMENTARY INFORMATION: The Final EA responds to agency and public comments received by the FAA and it updates the Draft EA, issued on December 23, 2019. The publication of the RNAV (GPS) RWY 19 Offset arrival procedure seeks to respond to a request from the Port Authority of New York and New Jersey by making available an alternative arrival procedure that overflies a less densely populated corridor while maintaining efficient operation of airspace around the Teterboro Airport.

The Final EA/FONSI/ROD documents the FAA's decision to implement the Proposed Action alternative as detailed in and supported by the Final EA.

The Final EA and FONSI/ROD for the Teterboro Airport RNAV (GPS) RWY 19 Offset arrival procedure are available at the following locations:

(1) Online at https://www.faa.gov/air-traffic/community_involvement/teb/.

(2) Electronic Versions of the Final EA/FONSI/ROD have been sent to eight libraries in the vicinity of Teterboro Airport with a request to make the digital document available to patrons. A list of these libraries is available online at the website above and is shown below. The FAA recognizes that libraries may be closed due to the COVID-19 public health emergency and, therefore, availability through these libraries may be impacted.

(3) If you are unable to access the Final EA/FONSI/ROD through one of these means, email Andrew.Pieroni@faa.gov to request a copy of the document.
