Customs Service

Announcement of a National Customs Automation Program Test: The International Trade Data System (ITDS)

AGENCY: Customs Service, Treasury.

ACTION: General notice.

SUMMARY: This document announces Customs plan to conduct a pilot test of the International Trade Data System (ITDS), an interagency system designed to enable various federal trade agencies to share a standard set of data in order to effect the more efficient electronic release of goods, conveyances, and crews. The pilot will be conducted for trucks only at the port of Buffalo, New York. Under the pilot, a participant will submit relevant information to ITDS to effect an importation, and ITDS will transmit certain elements of this information to pertinent agencies for processing the importation. This document explains the ITDS system, invites public comments concerning any aspect of the pilot, informs interested members of the public of the eligibility requirements for voluntary participation
