##### Television Broadcasting Services Wittenberg and Shawano, Wisconsin

**AGENCY:** Federal Communications Commission.

**ACTION:** Proposed rule.

**SUMMARY:** The Video Division, Media Bureau (Bureau) has before it a petition for rulemaking filed by TV–49, Inc. (Petitioner or TV–49), the permittee of an unbuilt television station on channel 31 allotted to Wittenberg, Wisconsin. TV–49 requests an amendment of the Table of TV Allotments to delete channel 31 at Wittenberg and substitute channel 31 at Shawano, Wisconsin, consistent with the technical parameters set forth in the Petition, as amended. The Petitioner further requests modification of its construction permit to specify Shawano as its community of license.

**DATES:** Comments must be filed on or before November 20, 2023 and reply comments on or before December 4, 2023.

**ADDRESSES:** Federal Communications Commission, Office of the Secretary, 45 L Street NE, Washington, DC 20554. In addition to filing comments with the FCC, interested parties should serve counsel for the Petitioner as follows: Matthew S. Delnero, Esq., Covington & Burling, LLP, 850 Tenth Street NW, Washington, DC 20001.

**FOR FURTHER INFORMATION CONTACT:** Joyce Bernstein, Media Bureau, at (202) 418–1647; or Joyce Bernstein, Media Bureau, at [Joyce.Bernstein@fcc.gov](mailto:Joyce.Bernstein@fcc.gov).

**SUPPLEMENTARY INFORMATION:** The Commission has stated that it will apply the modification procedure in section 1.420(i) of the rules, which provides that the Commission may, in connection with a rulemaking proceeding to amend the Table of TV Allotments, modify a station’s license or construction permit to specify a new community of license without affording other interested parties an opportunity to file competing expressions of interest, where the new allotment will be mutually exclusive

with a station’s existing allotment. The Technical Exhibit submitted with the Amended Petition demonstrates that the proposed allotment of channel 31 at Shawano is mutually exclusive with the current allotment at Wittenberg, and is otherwise in compliance with all of our technical rules. The Petitioner also emphasizes that Wittenberg will not lose any existing service because as a permittee, TV–49 has not commenced operations in Wittenberg, and thus no viewers have come to rely on any existing service, a factor the Commission has found to be mitigating in the context of whether it would remove the sole channel allotted to a community. Moreover, the Petitioner states that the communities are only thirty miles apart and Wittenberg will still be within the noise limited contour of the channel 31 facility constructed at Shawano. The Petitioner further asserts that providing Shawano, the county seat of Shawano County and a community that is nine times larger than Wittenberg, with its first local television service is the type of rare circumstance which justifies a waiver of the general prohibition on the removal of a community’s sole first local service. According to the Petitioner, Shawano’s Census 2020 population is 9,243 people, while Wittenberg’s Census 2020 population is 1,015. Shawano is governed by a mayor and six alderpersons, who collectively comprise its Common Council. The Shawano school district operates five public schools, there are also three religiously-affiliated private schools in Shawano, and Northeast Wisconsin Technical College also operates a Regional Learning Campus in Shawano. Shawano also provides a number of municipal services through the Shawano-Bonduel Municipal Court, the Shawano Department of Public Works, the Shawano Police Department, and the Shawano Municipal Utilities. Petitioner states that given the foregoing, it is clear that Shawano has the population and public services indicative of a community deserving of its own television station. Moreover, the Petitioner asserts that six licensed full power television stations currently provide noise-limited service to all of Wittenberg and the Petitioner demonstrates that once the Station commences operations it will also provide noise-limited service to Wittenberg.
