Request for Review of a Revised
Information Collection: Form RI 95-4**

AGENCY: Office of Personnel
Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget a request for review of a revised information collection. RI 95-4, Marital Information Required of Refund Applicants, is used by OPM to pay refunds of retirement contributions when the information is not included on the SF 3106, Application for Refund of Retirement Deductions (FERS). To pay these benefits, all applicants for refund must provide information to OPM about their marital status and whether any spouse(s) or former spouse(s) have been informed of the proposed refund.

Comments are particularly invited on: Whether this information is necessary for the proper performance of functions of OPM, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

Approximately 100 RI 95-4 forms will be completed annually. We estimate it takes approximately 30 minutes to complete the form. The annual burden is 50 hours.
