Office of the Chief Information Officer

Title: USDA eAuthentication Service Customer Registration.

OMB Control Number: 0503-0014.

Summary of Collection: The USDA Office of the Chief Information Officer (OCIO) has developed the eAuthentication system as a management and technical process that addresses user authentication and authorization prerequisites for providing services electronically. The process requires a voluntary one-time electronic self-registration to obtain an eAuthentication account for each USDA customer desiring access to online services or applications that require user eAuthentication. The information collected through the electronic self-registration process is necessary to enable the electronic authentication of users and grant them access to only those resources for which they are authorized. The authority to collect this information as well as the new Online Identity Proofing function can be found in Section 2(c), of the Freedom to E-File Act (Pub. L. 106-222), the Government Paperwork Elimination Act (GPEA, Pub. L. 105-277), the Electronic Signatures in Global and National Commerce Act (E-Sign, Pub. L. 106-229), the E-Government Act of 2002 (H.R. 2458), and Gramm-Leach Bliley Act (Pub. L., 106-102, 502-504).

Need and Use of the Information: The USDA eAuthentication Service provides public and government businesses single sign-on capability for USDA applications, management of user credentials, and verification of identify, authorization, and electronic signatures. USDA eAuthentication obtains customer information through an electronic self-registration process provided through the eAuthentication Web site. The voluntary online self-registration process applies to USDA Agency customers, as well as employees who request access to protected USDA web applications and services via the Internet. Users can register directly from the eAuthentication Web site located at www.eauth.egov.usda.gov. The information collected through the online self-registration process will be used to provide an eAuthentication

account that will enable the electronic authentication of users. The users will then have access to authorized resources without needing to reauthenticate within the context of a single Internet session.

SUPPLEMENTARY INFORMATION:

Title: Discharge and Delivery Survey Summary and Rate Schedule Forms.

OMB Number: 0560-0177.

Expiration Date: February 28, 2017.

Type of Request: Extension with a Revision.

Abstract: The United States donates agricultural commodities domestically and overseas for famine or other relief requirements, to combat malnutrition, and sells or donates commodities to promote economic development. FSA and CCC issue invitations to purchase or sell agricultural commodities and services for use in domestic and export programs. Vendors respond by making offers using various FSA and CCC commodity offer forms through Web-based Supply Chain System (WBSCM). The Kansas City Commodity Office acting under the authority granted by these acts, purchases discharge survey services conducted at the foreign destinations to ensure count and condition of the commodities shipped. The form for discharge survey services are not in WBSCM.

The renewal to the information collection request is for the respondents to submit information electronically in WBSCM for all processes with the exception of the discharge/delivery survey summary and the rates schedule. Vendors will be able to access WBSCM to see the date and time the system shows for receipt of bid, bid modification, or bid cancellation information. At bid opening date and time, the bid information are evaluated through the system. Acceptances will be sent to the successful offerors electronically. Awarded contracts will be posted to the FSA Web site and also to the WBSCM portal and FedBizOpps (<https://www.fbo.gov/>). The discharge/delivery survey summary (KC-334) will be collected electronically and by mail and the rate schedule (KC-337) will be collected by mail. The burden hours

reduced because some forms in the information collection request were exempted from Paperwork Reduction Act.

For the following estimated total annual burden on respondents, the formula used to calculate the total burden hours is the estimated average time per responses multiplied by the estimated total annual of responses.

Estimate of Average Time to Respond: Public reporting burden for collecting information under this notice is estimated to average 0.482 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Respondents: Business and other for-profit organizations.

Estimated Number of Respondents: 41.

Estimated Average Number of Responses per Respondent: 11.83.

Estimated Total Annual Responses: 485.

Estimated Total Annual Burden on Respondents: 234 hours.

We are requesting comments on all aspects of this information collection to help us to:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of burden of the collection of information including the validity of the methodology and assumptions used;

(3) Evaluate the quality, utility and clarity of the information technology; and

(4) Minimize the burden of the information collection on those who respond through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses where provided, will be made a matter of public record. Comments

will be summarized and included in the request for OMB approval.

Val Dolcini,

Administrator, Farm Service Agency, and Executive Vice President, Commodity Credit Corporation.

Forest Service

Notice of Proposed New Fee Site

AGENCY: Tahoe National Forest, Forest Service, USDA.

ACTION: Notice of Proposed New Fee Site.

SUMMARY: The Tahoe National Forest is proposing a new recreation fee for the Sardine Lookout, which would be made available as an overnight rental. The rental fee is proposed at \$45 per night. Lookout rentals offer a unique experience and are a widely popular offering on National Forests. The Tahoe National Forest currently operates one lookout for public rental, the Calpine Lookout on the Sierraville Ranger District. Sardine Lookout is eligible for the National Register of Historic Places.

Fees are assessed based on the level of amenities and services provided, cost of operations and maintenance, and market assessment. These fees are proposed and will be determined upon further analysis and public comment. Funds from fees would be used for the continued operation, maintenance, enhancement and protection of this lookout and the historical integrity of the facility.

An analysis of nearby recreation facilities shows that the proposed fees are reasonable and typical of similar sites in the area.

DATES: Comments will be accepted through February 7, 2017. The Sardine Lookout rental will be listed with the National Recreation Reservation Service.

ADDRESSES: Eli Ilano, Forest Supervisor, Tahoe National Forest, 631 Coyote St., Nevada City, California 95959.

FOR FURTHER INFORMATION CONTACT: Quentin Youngblood, Sierraville District Ranger, (530) 994-3401, ext. 6601. Information about proposed fee changes can also be found on the Tahoe National

Forest Web site: <http://www.fs.fed.us/r5/tahoe>.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established. These new fees will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation.

Sardine Lookout was built in 1935 and is eligible for the National Register of Historic Places. The cabin has two twin beds, period correct linoleum floor, a table and fire finder pedestal that are copies of originals from Calpine Fire Lookout. There is a fire pit, picnic table and accessible vault toilet. The area is very remote with tremendous views and solitude.

Dated: November 30, 2016.

Economic Development Administration

Notice of Petitions by Firms for Determination of Eligibility To Apply for Trade Adjustment Assistance

AGENCY: Economic Development Administration, Department of Commerce.

ACTION: Notice and opportunity for public comment.

Pursuant to Section 251 of the Trade Act 1974, as amended (19 U.S.C. 2341 *et seq.*), the Economic Development Administration (EDA) has received petitions for certification of eligibility to apply for Trade Adjustment Assistance from the firms listed below.

Accordingly, EDA has initiated investigations to determine whether increased imports into the United States of articles like or directly competitive with those produced by each of these firms contributed importantly to the total or partial separation of the firm's workers, or threat thereof, and to a decrease in sales or production of each petitioning firm.
