these factors individually and cumulatively, the Secretary has determined that permitting Haitian nationals to remain temporarily in the United States is contrary to the U.S. national interest.

DHS estimates there are approximately 348,187 nationals of Haiti (and aliens having no nationality who last habitually resided in Haiti) who hold TPS under Haiti's designation.³⁰

Effective Date of Termination of the Designation

The TPS statute provides that the termination of a country's TPS designation may not be effective earlier than 60 days after the FRN is published or, if later, the expiration of the most-recent previous extension. See INA sec. 244(b)(3)(B), 8 U.S.C. 1254a(b)(3)(B).

244(b)(3)(B), 8 U.S.C. 1254a(b)(3)(B). The TPS statue authorizes the Secretary, at her discretion, to allow for an extended "orderly transition" period with respect to the termination and the expiration of any TPS-related documentation, such as EADs. The Secretary, however, has determined in her discretion that a 60-day transition period is sufficient and warranted here given the Secretary's finding that continuing to permit the Haitian nationals to remain temporarily in the United States is contrary to the U.S. national interest. Moreover, adhering to the default statutory 60-day period for orderly transition is consistent with the precedent of previous TPS country terminations over the past few months and makes clear that the United States is committed to clarity and consistency. See INA sec. 244(d)(3), 8 U.S.C. 1254a(d)(3). Accordingly, the termination of the Haiti TPS designation will be effective 60 days from this notice's publication date.31

DHS recognizes that Haiti TPS beneficiaries continue to be employment authorized during the 60day transition period.³² Accordingly, through this FRN, DHS automatically extends the validity of certain EADs previously issued under the TPS designation of Haiti through September 2, 2025. Therefore, as proof of continued employment authorization through September 2, 2025, TPS beneficiaries can show their EADs that have the notation A–12 or C–19 under Category and a "Card Expires" date of February, 3, 2026, August 3, 2025, August 3, 2024, June 30, 2024, February 3, 2023, December 31, 2022, October 4, 2021, January 4, 2021, January 2, 2020, July 22, 2019, January 22, 2018, or July 22, 2017.

The Secretary has considered putative reliance interests in the Haiti TPS designation, especially when considering whether to allow for an additional transition period akin to that allowed under certain previous TPS terminations. Temporary Protected Status, as the name itself makes clear, is an inherently temporary status. TPS designations are time-limited and must be periodically reviewed, and TPS notices clearly notify aliens of the designations' expiration dates, and whether to allow for an orderly transition period is left to the Secretary's unfettered discretion. See INA sec. 244(b)(3), (d)(3); 8 U.S.C. 1254a(b)(3), (d)(3). The statute inherently contemplates advance notice of a termination by requiring timely publication of the Secretary's determination and delaying the effective date of the termination by at least 60 days after publication of a Federal Register notice of the termination or, if later, the existing expiration date. See INA sec. 244(b)(3)(A)-(B), (d)(3); 8 U.S.C. 1254a(b)(3)(A)-(B), (d)(3).

Notice of the Termination of the TPS Designation of Haiti

By the authority vested in me as Secretary under INA section 244(b)(3), 8 U.S.C. 1254a(b)(3), I have reviewed, in consultation with the appropriate U.S. Government agencies, (a) conditions in Haiti; and (b) whether permitting the nationals of Haiti (and aliens having no nationality who last habitually resided in Haiti) to remain temporarily in the United States is contrary to the national interest of the United States. Based on my review, I have determined that Haiti no longer continues to meet the conditions for Temporary Protected Status (TPS) under INA section 244(b)(1)(C), 8 U.S.C. 1254a(b)(1)(C).

Accordingly, I order as follows:

(1) Pursuant to INA section 244(b)(3)(B), 8 U.S.C. 1254a(b)(1)(B), and considering INA section 244(d)(3), 8 U.S.C. 1254a(d)(3), the designation of Haiti for TPS is terminated effective at

11:59 p.m., local time, on September 2, 2025.

(2) Information concerning the termination of TPS for nationals of Haiti (and aliens having no nationality who last habitually resided in Haiti) will be available at local USCIS office upon publication of this notice and through the USCIS Contact Center at 1–800–375–5283. This information will be published on the USCIS website at www.uscis.gov.

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it has instituted reviews pursuant to the Tariff Act of 1930 ("the Act"), as amended, to determine whether revocation of the countervailing duty orders on utility scale wind towers from Canada and Vietnam and the antidumping duty orders on utility scale wind towers from Canada, Indonesia, South Korea, and Vietnam would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

DATES: Instituted July 1, 2025. To be assured of consideration, the deadline for responses is July 31, 2025. Comments on the adequacy of responses may be filed with the Commission by September 10, 2025.

SUPPLEMENTARY INFORMATION:

Background.—On August 26, 2020, the Department of Commerce ("Commerce") issued countervailing duty orders on imports of utility scale wind towers from Canada, Indonesia, and Vietnam (85 FR 52543) and antidumping duty orders on utility scale wind towers from Canada, Indonesia, South Korea, and Vietnam (85 FR 52546). On January 7, 2022, Commerce revoked the countervailing duty order on utility scale wind towers from Indonesia following a U.S. Court of International Trade decision not in harmony with Commerce's final determination of the countervailing duty investigation on utility scale wind towers from Indonesia (87 FR 2137, January 13, 2025). The Commission is conducting reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this

Definitions.—The following definitions apply to these reviews:

- (1) Subject Merchandise is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.
- (2) The Subject Countries in these reviews are Canada, Indonesia, South Korea, and Vietnam.
- (3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, the Commission defined a single *Domestic Like Product* consisting of wind towers coextensive with the scope of the investigations.

- (4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, the Commission defined the *Domestic Industry* as all U.S. producers of wind towers.
- (5) The *Order Date* is the date that the countervailing and antidumping duty orders under review became effective. In these reviews, the *Order Date* is August 26, 2020.
- (6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the proceeding and public service list.—Persons, including industrial users of the Subject Merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-vear review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was

pending when they were Commission

employees. For further ethics advice on

this matter, contact Charles Smith, Office of the General Counsel, at 202– 205–3408.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the Federal Register. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

Written submissions.—Pursuant to § 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is on or before 5:15 p.m. on July 31, 2025. Pursuant to § 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is on or before 5:15 p.m. on September 10, 2025. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with

the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's Handbook on Filing Procedures, available on the Commission's website at https:// www.usitc.gov/documents/handbook on filing procedures.pdf, elaborates upon the Commission's procedures with respect to filings. Also, in accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response)

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, https://edis.usitc.gov). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

No response to this request for information is required if a currently valid Office of Management and Budget ("OMB") number is not displayed; the OMB number is 3117 0016/USITC No. 25–5–645, expiration date June 30, 2026.
