**SUPPLEMENTARY INFORMATION:**

**Proposed Action**

Fresno County is proposing to build and operate the JJC to better serve the community and the existing and future juvenile justice populations. The need for this action is based on the conditions of existing juvenile justice facilities, additional space requirements needed to accommodate projected growth rates in the youth population that will enter the juvenile justice system, and the County's desire to increase efficiency by concentrating all main functions of the juvenile justice system at a site close to downtown Fresno. The Proposed Action would include the acquisition of an approximately 210-acre site that would be capable of accommodating up to 1,400 beds in addition to the related functions that would be located on the campus. Related functions would include courts, offices, medical and mental health facilities, probation department offices, group homes, and related schooling, recreational, and community based programs. The Proposed Action would also include amending the Fresno County General Plan by redesignating the preferred site to Public Facility and rezoning to the AL-20 Zoning District.

**Alternatives**

The draft EIS/EIR will address the potential impacts of the "no action" alternative and the construction and operation of the JJC at alternative sites. Practicable alternative sites have been

identified by Fresno County that include: Site #1b located at the northeast corner of W. Jensen and S. Grantland Avenues; Site #3 located at the northwest corner of the intersection of E. Jensen and S. Fowler Avenues; and Site #6 (the preferred site) located at the southwest quadrant of Highway 99 and E. American Avenue.
