Information Collection Request Title: Title X Family Planning Outreach and Enrollment Data Collection Form.

Abstract: The Office of Population Affairs within the Office of the Assistant Secretary for Health seeks to collect data from the Title X service delivery grantees on efforts related to outreach and enrollment to assist individuals in obtaining health insurance available as a result of the Affordable Care Act (ACA). Grantees will be asked to collect and report information on the numbers of individuals who are: (1) Assisted by a trained health center worker; (2) number of individuals who receive an eligibility determination for the marketplace, Medicaid or CHIP with the assistance of a trained worker; and (3) number of individuals who enroll in an insurance program with the assistance of a trained worker.
