Farm Service Agency

Title: Noninsured Disaster Assistance Program.

OMB Control Number: 0560-0175.

Summary of Collection: The Noninsured Crop Assistance Program (NAP) is authorized under 7 U.S.C. 7333 and implemented under regulations issued at 7 CFR part 1437. NAP is administered by the Farm Service Agency (FSA) for the Commodity Credit Corporation (CCC) and is carried out by FSA State and County committees. The purpose of NAP is to help manage and reduce production risks faced by producers of eligible commercial crops or other agricultural commodities during a coverage period. NAP is intended to reduce financial losses that occur when natural disasters (damaging weather or adverse natural occurrence that is an eligible cause of loss) cause a loss of expected production or actual value for value loss crops, or where producers are prevented from planting an eligible crop because of an eligible cause of loss in a coverage period. NAP provides assistance for losses of floriculture, ornamental nursery, Christmas tree crops, turfgrass sod, seed crops, aquaculture (including ornamental fish), sea oats and sea grass. FSA will collect information using several forms.

Need and Use of the Information: The information collected is necessary to determine whether a producer and crop or commodity meet applicable conditions for assistance and to determine compliance with existing regulations. Producers must annually: (1) Request NAP coverage by completing an application for coverage and paying a service fee by the CCC-established application closing date; (2) file a current crop-year report of acreage for the covered crop or commodity; and (3) certify harvest production of each covered crop or commodity. The information collected allows CCC to provide assistance under NAP for losses of commercial crops or other agricultural commodities (except livestock) for which catastrophic risk protection under 7 U.S.C. Section 1508

is not available, and that are produced for food or fiber.

Description of Respondents: Farms; Business or other for-profit.

Number of Respondents: 72,294.

Frequency of Responses:

Recordkeeping; Reporting: On occasion; Weekly; Monthly; Annually.

Total Burden Hours: 847,425.
