

**PART 901—REGULATIONS
GOVERNING THE PERFORMANCE OF
ACTUARIAL SERVICES UNDER THE
EMPLOYEE RETIREMENT INCOME
SECURITY ACT OF 1974**

■ **Paragraph 1.** The authority citation for part 901 continues to read in part as follows:

Authority: These rules are issued under authority of 88 Stat.1002; 29 U.S.C. 1241, 1242.

See also 5 U.S.C. 301; 31 U.S.C. 330; and 31 U.S.C. 321.

■ **Par. 2.** Section 901.11 is amended by:

- 1. Revising the first sentence of paragraph (f)(1)(i).
- 2. Revising paragraph (l)(4)(ii).
- 3. Revising the last sentence of paragraph (o) *Example 4.* (i), and paragraphs (o) *Example 6.* (iii) and (o) *Example 7.* (ii).

The revisions read as follows:

§ 901.11 Enrollment procedures.

* * * * *

(f) * * *

(1) * * *

(i) Core subject matter is program content and knowledge that is integral and necessary to the satisfactory performance of pension actuarial services and actuarial certifications under ERISA and the Internal Revenue Code. * * *

* * * * *

(l) * * *

(4) * * *

(ii) *Placement on the inactive roster after notice and right to respond.* The Executive Director will move an enrolled actuary who does not submit a timely application of renewal that shows timely completion of the required continuing professional education to the inactive roster only after giving the enrolled actuary 60 days to respond as described in paragraph (l)(1) of this section.

(o) * * *

Example 4. (i) * * * Accordingly, effective April 1, 2014, H is placed on the roster of inactive enrolled actuaries and is ineligible to perform pension actuarial services as an enrolled actuary under ERISA and the Internal Revenue Code.

* * * * *

Example 6. * * *

(iii) Note that the total of 15 hours of continuing professional education credit that H completes between January 1, 2011, and December 31, 2013, as well as the 10 hours of continuing professional education credit between January 1, 2014, and December 31, 2016, are not counted toward H's return to active status and are not taken into account toward the additional hours of continuing professional education credit that H must complete between January 1, 2020, and

December 31, 2022, in order to be eligible to file an application for renewal of enrollment active status effective April 1, 2023.

Example 7. * * *

(ii) J completes 5 hours of core continuing professional education credit and 4 hours of non-core continuing professional education credit between January 1, 2014, and October 6, 2014. Because J did not complete the required 12 hours of continuing professional education (of which at least 6 hours must consist of core subject matter) during J's initial enrollment cycle, J is not eligible to file an application for a return to active enrollment on October 6, 2014, notwithstanding the fact that had J completed such hours between January 1, 2012, and December 31, 2013, J would have satisfied the requirements for renewed enrollment effective April 1, 2014.

**Federal Housing Administration (FHA):
Temporary Exemption From
Compliance With FHA's Regulation on
Property Flipping Extension of
Exemption**

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Notice of waiver extension.

SUMMARY: This notice announces that FHA is extending the availability of the temporary waiver of its regulation that prohibits the use of FHA financing to purchase single family properties that are being resold within 90 days of the previous acquisition, until December 31, 2012. This waiver, which was first issued in January 2010, took effect for all sales contracts executed on or after February 1, 2010, and was extended in February 2011. The waiver is set to expire on December 31, 2011, and therefore HUD is extending the waiver for another calendar year. Prior to the waiver, a mortgage was not eligible for FHA insurance if the contract of sale for the purchase of the property that is the subject of the mortgage is executed within 90 days of the prior acquisition by the seller and the seller does not come under any of the exemptions to this 90-day period that are specified in the regulation. As a result of the high foreclosures that have been taking place across the nation, FHA, through the regulatory waiver, encourages investors that specialize in acquiring and renovating properties to renovate foreclosed and abandoned homes with the objective of increasing the availability of affordable homes for first-time and other purchasers and helping
