Title: Applicant Background Survey.
OMB number: 3095-0045.

Agency form number: NA Form 3035.

Type of review: Regular.

Affected public: Applicants for NARA jobs.

Estimated number of respondents: 2,593.

Estimated time per response: 5 minutes.

Abstract: A diverse workforce enhances our agency by ensuring that we can draw on the widest possible variety of viewpoints and experiences to improve the planning and actions we undertake to achieve our mission and goals. By promoting and valuing

workforce diversity, we create a work setting where these varied experiences contribute to a more efficient and dynamic organization and employees can develop to their full potential. To achieve these ends and in accordance with our Strategic Plan, we constantly work to improve our performance in hiring and promoting people in underrepresented groups.

This form is used to obtain source of recruitment, ethnicity, race, and disability data on job applicants to determine if the recruitment is effectively reaching all aspects of the relevant labor pool and to determine if there are proportionate acceptance rates at various stages of the recruitment process. Use of this form allows us to objectively determine the barriers to recruitment and selection that affect underrepresented groups. There is no source of this information other than directly from applicants.

Response is optional. The information is used for evaluating recruitment only and plays no part in the selection of who is hired. The information is not provided to selecting officials and plays no part in the selection of individuals. Instead, it is used in summary form to determine trends over many selections within a given occupation or organizational area. The information is treated in a very confidential manner. No information from the form is entered into the personnel file of the individual selected and all the forms are destroyed after the conclusion of the selection process.

The format of the questions on ethnicity and race are compliant with OMB requirements and comparable to those used by other Federal agencies. This form is a further simplification and update of a similar DOI applicant background survey used by NARA for many years.

Dated: December 12, 2003.

L. Reynolds Cahoon,

Assistant Archivist for Human Resources and Information Services.
