

Occupational Safety and Health (NIOSH), as well as follow-up reports from OSHA/NIOSH staff regarding NACOSH workgroups. Presentations will also be made on the following subjects: Whistleblower updates, Employee Fatality Trends, and Workplace Violence.

Written data, views or comments for consideration by the committee may be submitted, preferably with 20 copies, to Wilfred Epps at the address provided below. Any such submissions received prior to the meeting will be provided to the members of the committee and will be included in the record of the meeting. Because of the need to cover a wide variety of subjects in a short period of time, there is usually insufficient time on the agenda for members of the public to address the committee orally. However, any such requests will be considered by the Chair who will determine whether or not time permits. Any request to make an oral presentation should state the amount of time desired, the capacity in which the person would appear, and a brief outline of the content of the presentation. Individuals with disabilities who need special accommodations should contact Veneta Chatmon (phone: 202-693-1912; fax: 202-693-1634) one week before the meeting.

An official record of the meeting will be available for public inspection in the OSHA Technical Data Center (TDC) located in Room N2625 at the Department of Labor Building (202-693-2350). For additional information contact: Wilfred Epps, Occupational Safety and Health Administration (OSHA); Room N3641, 200 Constitution Avenue, NW., Washington, DC 20210, (phone: 202-693-1857; fax: 202-693-1641; e-mail Epps.Wil@dol.gov); or check the National Advisory Committee on Occupational Safety and Health information pages located at www.osha.gov.

Signed at Washington, DC this 13th day of November 2003.
