#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Office of Workers' Compensation Programs administers the Longshore and Harbor Workers' Compensation Act. The Act provides benefits to workers injured in maritime employment on the navigable waters of the United States or in an adjoining area customarily used by an employer in loading, unloading, repairing, or building a vessel. Title 20, CFR 702.317 provides for the referral of claims under the Longshore Act for formal hearings. This section provides that, before a case is transferred to the Office of Administrative Law Judges, the district director shall furnish each of the parties or their representatives with a copy of a pre-hearing statement form. Each party shall, within 21 days after receipt of each form, complete it and return it to the district director. Upon receipt of the forms, the district director, after checking them for completeness and after any further conferences that, in his/her opinion, are warranted, shall transmit the forms to the Office of the Chief Administrative Law Judge. The LS-18 is used to refer cases to the Office of the Administrative Law Judges for formal hearings under the Act. This information collection is currently approved for use through May 31, 2008.

##### II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

**AGENCY:** National Archives and Records Administration (NARA).

**ACTION:** Notice.

**SUMMARY:** NARA is giving public notice that the agency has submitted to OMB for approval the information collections described in this notice. The public is invited to comment on the proposed information collections pursuant to the Paperwork Reduction Act of 1995.

**DATES:** Written comments must be submitted to OMB at the address below on or before November 23, 2007 to be assured of consideration.

**ADDRESSES:** Send comments to Desk Officer for NARA, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202-395-5167.

**FOR FURTHER INFORMATION CONTACT:** Requests for additional information or copies of the proposed information collections and supporting statements should be directed to Tamee Fechhelm at telephone number 301-837-1694 or fax number 301-713-7409.

**SUPPLEMENTARY INFORMATION:** Pursuant to the Paperwork Reduction Act of 1995 (Public Law 104-13), NARA invites the general public and other Federal agencies to comment on proposed information collections. NARA published a notice of proposed collection for these information collections on August 9, 2007 (72 FR 44874 and 44875). No comments were received. NARA has submitted the described information collections to OMB for approval.

In response to this notice, comments and suggestions should address one or more of the following points: (a) Whether the proposed information collections are necessary for the proper performance of the functions of NARA; (b) the accuracy of NARA's estimate of the burden of the proposed information collections; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of information technology; and (e) whether small businesses are affected by these collections. In this notice, NARA is soliciting comments concerning the following information collections:

*Title:* Presidential Libraries Museum Visitor Survey.

*OMB number:* 3095-NEW.

*Agency form number:* N/A.

*Type of review:* Regular.

*Affected public:* Individuals who visit the museums at the Presidential libraries.

*Estimated number of respondents:* 75,000.

*Estimated time per response:* 15 minutes.

*Frequency of response:* On occasion (when an individual visits a Presidential Library).

*Estimated total annual burden hours:* 18,750 hours.

*Abstract:* The survey will be comprised of a set of questions designed to allow for a statistical analysis that

will ultimately provide actionable information to NARA. The survey includes questions that measure the visitor's satisfaction in general and with specific aspects of their visit. These questions serve as dependent variables for analytical purposes. Other questions provide attitudinal, behavioral, and demographic data that are used to help understand variation in the satisfaction variables. Using statistical analyses, Harris Interactive will determine the factors that drive the visitor's perceptions of quality and satisfaction with the Library they visited. Additionally, natural groupings of visitors defined by similarity based on these attitudinal, behavioral, and demographic variables can be developed and targeted for outreach purposes.

The information collected through this effort will inform program activity, operation, and oversight, and will benefit Library and NARA staff and management in making critical decisions about resources allocation, museum operation and program direction.
