Agency: National Oceanic and Atmospheric Administration, Commerce.

Title: Conflict of Interest Disclosure for Non-Federal Government Individuals Who are Candidates to Conduct Peer Reviews Required by the OMB Peer Review Bulletin.

OMB Control Number: 0648–0567.

Form Number(s): None.

Type of Request: Regular submission [extension of a current information collection].

Number of Respondents: 321.

Average Hours per Response: 30 minutes each: Conflict of Interest Disclosure For General Scientific and Technical Studies and Assistance; and Conflict of Interest Disclosure For Studies Related to Government Regulation.

Total Annual Burden Hours: 161.

Needs and Uses: This request is for extension of a currently approved collection.

The Office of Management and Budget (OMB) issued government-wide guidance to enhance the practice of peer review of government science documents. OMB's Final Information Quality Bulletin for Peer Review ("Peer Review Bulletin" or PRB) (available at https://obamawhitehouse.archives.gov/omb/memoranda_fy2005_m05-03/) establishes minimum peer review standards for influential scientific information that Federal agencies intend to disseminate.

The Peer Review Bulletin also directs Federal agencies to adopt or adapt the National Academy of Sciences (NAS) policy for evaluating conflicts of interest when selecting peer reviewers who are not Federal government employees (federal employees are subject to Federal ethics requirements). For peer review purposes, the term "conflicts of interest" means any financial or other interest which conflicts with the service of the individual because it could: (1) significantly impair the individual's objectivity; or (2) create an unfair competitive advantage for any person or organization. NOAA has adapted the NAS policy and developed two confidential conflict disclosure forms which the agency will use to examine prospective reviewers' potential financial conflicts and other interests that could impair objectivity or create an unfair advantage. One form is for peer reviewers of studies related to government regulation and the other form is for all other influential scientific information subject to the Peer Review Bulletin. In addition, the latter form has been adapted by NOAA's Office of Oceanic and Atmospheric Research for potential reviewers of scientific laboratories.

The forms include questions about employment as well as investment and property interests and research funding. Both forms also require the submission of curriculum vitae. NOAA is seeking to collect this information from potential peer reviewers who are not government employees when conducting a peer review pursuant to the PRB. The information collected in the conflict of interest disclosure is essential to NOAA's compliance with the OMB PRB, and helps to ensure that government studies are reviewed by independent, impartial peer reviewers.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.
