

agencies in administering similar programs. Section 401.120 of the regulations provides that we will disclose information if required by law. Section 205(r)(8) of the Social Security Act requires the Commissioner of Social Security to verify applicable information to be used by States and territories in their voter registration processes for elections held for Federal office. Thus, the proposed routine use is appropriate and meets the relevant statutory and regulatory criteria.

III. Effect of the Amended Routine Use Disclosure on the Rights of Individuals

The routine use amendment will allow SSA to verify the full SSN for those States allowed to use the full SSN for voter registration for elections for Federal office, in accordance with the provisions of section 303(a)(5)(D) of the HAVA. Section 205(r)(8) of the Social Security Act provides that information furnished by the Commissioner of Social Security, under agreements with the States and territories, is confidential and use of the information is limited to the purpose of verifying voter registrants' information as provided in the agreements. This statute also provides that any officer or employee or former officer or employee of a State, or any officer or employee or former officer or employee of a contractor of a State who, without written authority of the Commissioner, publishes or communicates any information in the individual's possession by reason of such employment or position as such an officer, shall be guilty of a felony and, upon conviction, shall be fined or imprisoned, or both, as described in section 208 of the Social Security Act. Additionally, we will adhere to all applicable provisions of the Privacy Act when disclosing information. Thus, we do not anticipate that the proposed new routine use will have any unwarranted adverse effect on the rights of individuals about whom data will be disclosed.

Jo Anne B. Barnhart,
Commissioner.
