## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Substance Abuse and Mental Health Services Administration

#### Agency Information Collection Activities: Submission for Office of Management and Budget (OMB) Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of

information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer at (240) 276–0361.

#### **Project: Regulations To Implement SAMHSA's Charitable Choice Statutory Provisions—42 CFR Parts 54 and 54a (OMB No. 0930–0242)—Revision**

Section 1955 of the Public Health Service Act (42 U.S.C. 300x–65), as amended by the Children's Health Act of 2000 (Pub. L. 106–310) and Sections 581–584 of the Public Health Service Act (42 U.S.C. 290kk *et seq.*, as added by the Consolidated Appropriations Act (Pub. L. 106–554)), set forth various provisions which aim to ensure that religious organizations are able to compete on an equal footing for federal funds to provide substance use services. These provisions allow religious organizations to offer substance use services to individuals without impairing the religious character of the organizations or the religious freedom of the individuals who receive the services. The provisions apply to the Substance Use Prevention, Treatment,

and Recovery Services Block Grant (SUBG), to the Projects for Assistance in Transition from Homelessness (PATH) formula grant program, and to certain SAMHSA discretionary grant programs (programs that pay for substance use treatment and prevention services, not for certain infrastructure and technical assistance activities). Every effort has been made to assure that the reporting, recordkeeping, and disclosure requirements of the proposed regulations allow maximum flexibility in implementation and impose minimum burden.

No changes are being made to the regulations or the information collection provisions. A minor change reflecting current state reporting has been made to the annual burden estimates in 54.8(c)(4) resulting in total burden costs reported decreasing.

Information on how states comply with the requirements of 42 CFR part 54 was approved by OMB as part of the Substance Use Prevention and Treatment Block Grant FY 2019–2021 annual application and reporting requirements approved under OMB control number 0930–0168.
