

test items for the proposed Voluntary National Test (VNT) in 8th grade mathematics. This portion of the meeting must be conducted in closed session because public disclosure of this information would likely have an adverse financial effect on the NAEP program. The discussion of this information would be likely to significantly frustrate implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

There will be open meetings of the Reporting and Dissemination Committee and the Design and Methodology Committee from 10:30 a.m.–12:30 p.m.

Agenda items for the Reporting and Dissemination Committee include the schedule for the release of future NAEP reports; reporting NAEP 2000 mathematics assessment, samples with and without accommodations; private school reporting plans for NAEP 2002 assessments in reading and writing; and an update on reporting NAEP long-term trend data in writing, internet and printed reports.

The Design and Methodology committee will meet in open session to receive an update on the voluntary national test, and to review a progress report on the market basket study.

The full Board will reconvene in closed session from 12:30–1:30 p.m. to hear the 1999 NAEP Long-Term Trend Report. During this meeting, Dr. Peggy Carr, Associate Commissioner of NCES, will make a presentation to the full Board. The session may discuss specific items from the 1999 Long Term Trend Assessment in Math, Science and Reading. If the meeting was held in open session, the disclosure of such information might significantly frustrate implementation of a proposed agency action. Such matters are protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

From 1:30–4:00 p.m. the board will meet in open session. Agenda items for this portion of the meeting include a panel discussion on mathematics assessment issues, receiving conclusions and recommendations on Achievement Levels and the Follow-up Report to Congress and hear an update on a study regarding the impact of incentives and rewards on NAEP.

On Saturday, August 5, the Board will hear an update on NAEP/NAGB Reauthorization and conclude with the presentation of committee reports and Board actions.

A summary of the activities of the closed, partially closed sessions, and other related matters which are informative to the public and consistent

with the policy of the section 5 U.S.C. 552b(c), will be available to the public within 14 days after the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite #825, 800 North Capitol Street, NW, Washington, DC, from 8:30 a.m. to 5:00 p.m.

[Docket No. CP00–405–000]

#### Columbia Gas Transmission Corporation; Notice of Request Under Blanket Authorization

July 19, 2000.

Take notice that on July 17, 2000, Columbia Gas Transmission Corporation (Columbia), 12801 Fair Lakes Parkway, Fairfax, Virginia 22030–0146, filed a request with the Commission in Docket No. CP00–405–000, pursuant to Section 157.205, 157.211 and/or 157.216(b) of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to replace 10.1 miles of 20-inch pipeline in three segments of its Line KA located in Mingo County, West Virginia authorized in blanket certificate issued in Docket No. CP83–76–000, all as more fully set forth in the request on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202/208–2222 for assistance).

Columbia proposes to replace 10.1 miles of its 20-inch pipeline due to the age and condition of the pipe. The pipeline would be replaced with an approximate like amount and a like size pipeline. Columbia states, that approximately 3.7 miles of the pipeline would be replaced on existing right-of-way and would involve a typical lift and lay procedure. The remaining 6.4 miles would be replaced using a new right-of-way. Columbia states the new right-of-way is required to move the pipeline from its existing location along a creek bank to the ridge top. The pipeline being replaced through the lift and lay procedure would be abandoned by removal, and the remainder of the pipe would be abandoned in place.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.
