#### **Multilayered Wood Flooring From the People's Republic of China: Correction to the Final Results of Antidumping Duty Administrative Review**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**FOR FURTHER INFORMATION CONTACT:** Lilit Astvatsatrian or William Horn, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–6412 or (202) 482–2615, respectively.

**SUPPLEMENTARY INFORMATION:** On July 15, 2015, the Department of Commerce (“Department”) published the final results of the 2012–2013 administrative review of the antidumping duty order on multilayered wood flooring from the People's Republic of China.<sup>1</sup> The period of review (“POR”) is December 1, 2012, through November 30, 2013. The Department is issuing this notice to correct an inadvertent error in the *Final Results*. Specifically, the Department initiated a review of Baishan Huafeng Wood Product Co. Ltd. (“Baishan Huafeng Wood”),<sup>2</sup> and the company listed in the *Final Results* is also Baishan Huafeng Wood. However, the record reflects that the correct company name, and the company to which the Department assigned a separate rate, is Baishan Huafeng Wooden Product Co. Ltd. (“Baishan Huafeng Wooden”).<sup>3</sup> Accordingly, we intended to include Baishan Huafeng Wooden, not Baishan Huafeng Wood, in the list of companies that received a separate rate during the POR as identified in our *Final Results*.

This correction to the final results of administrative review is issued and

published in accordance with sections 751(h) and 777(i) of the Tariff Act of 1930, as amended.

Dated: August 21, 2015.

#### **Purified Carboxymethylcellulose From the Netherlands: Initiation and Preliminary Results of Changed Circumstances Review and Intent to Revoke the Antidumping Duty Order**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** In response to a request by Ashland Specialty Ingredients, G.P. (Ashland), the Department of Commerce (the Department) is initiating a changed circumstances review (CCR) of the antidumping duty (AD) order on purified carboxymethylcellulose (CMC) from the Netherlands. Based on the information received, we preliminarily intend to revoke the *Netherlands Order*.<sup>1</sup> Interested parties are invited to comment on these preliminary results.

**FOR FURTHER INFORMATION CONTACT:** John Drury, or Angelica Townsend, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–0195 or (202) 482–3019, respectively.

**DATES:** *Effective Date:* August 31, 2015.

**SUPPLEMENTARY INFORMATION:**

#### **Background**

On July 11, 2005, the Department published in the *Federal Register* the AD order on CMC from the Netherlands.<sup>2</sup> On July 8, 2015, in accordance with sections 751(b) and 751(d)(1) of the Act, 19 CFR 351.216(b), and 19 CFR 351.222(g)(1), Ashland, the petitioner and sole domestic producer of CMC, requested revocation of the *Netherlands Order*. Ashland requested that the Department conduct the CCR on an expedited basis pursuant to 19 CFR

351.221(c)(3)(ii) and that the effective date of the revocation be July 1, 2014.

#### **Scope of the Order**

The merchandise covered by this order is all purified CMC, sometimes also referred to as purified sodium CMC, polyanionic cellulose, or cellulose gum, which is a white to off-white, non-toxic, odorless, biodegradable powder, comprising sodium CMC that has been refined and purified to a minimum assay of 90 percent. Purified CMC does not include unpurified or crude CMC, CMC Fluidized Polymer Suspensions, and CMC that is cross-linked through heat treatment. Purified CMC is CMC that has undergone one or more purification operations which, at a minimum, reduce the remaining salt and other by-product portion of the product to less than ten percent.

The merchandise subject to this order is classified in the Harmonized Tariff Schedule of the United States at subheading 3912.31.00. This tariff classification is provided for convenience and customs purposes; however, the written description of the scope of the order is dispositive.

#### **Initiation and Preliminary Results of Changed Circumstances Review**

Section 782(h)(2) of the Act and 19 CFR 351.222(g)(1)(i) provide that the Department may revoke an order (in whole or in part) if it determines that producers accounting for substantially all of the production of the domestic like product have no further interest in the order, in whole or in part. In addition, in the event the Department determines that expedited action is warranted, 19 CFR 351.221(c)(3)(ii) permits the Department to combine the notices of initiation and preliminary results.

On July 8, 2015, Ashland requested that the Department conduct the CCR on an expedited basis. Ashland stated that, as the sole U.S. producer of CMC, it accounts for all of the production of the domestic like product. Ashland also stated that it has no interest in the continuation of the *Netherlands Order*.<sup>3</sup>

Therefore, at the request of Ashland and in accordance with sections 751(b)(1) and 751(d)(1) of the Act, 19 CFR 351.216, 19 CFR 351.222(g)(1), and 19 CFR 351.221(c)(3)(ii), we are initiating this CCR on CMC from the Netherlands to determine whether revocation of the order is warranted with respect to this product. In addition, we determine that expedited action is warranted. In accordance with 19 CFR
