Standards for Approval of Warehouses for CCC Interest Commodity Storage

AGENCY: Commodity Credit Corporation, USDA.

ACTION: Proposed rule; reopening and extension of comment period.

SUMMARY: The Commodity Credit Corporation (CCC) is reopening and extending the comment period for the proposed rulemaking, "Standards for Approval of Warehouses for CCC Interest Commodity Storage." The original comment period for the proposed rule closed on January 20, 2004, and CCC is reopening and extending it for 30 days. This action responds to requests from warehouse operators to provide more time to comment on the proposed rule.

DATES: Comments are due March 11, 2004.

ADDRESSES: Comments and requests for additional information should be directed to Howard Froehlich, Chief, Program Development Branch, Warehouse and Inventory Division, Farm Service Agency, United States Department of Agriculture, 1400 Independence Avenue, SW., STOP 0553, Washington, DC 20250-0553, telephone: (202) 720-7398, FAX: (202) 690-3123, e-mail: Howard_Froehlich@wdc.fsa.usda.gov. Persons with disabilities who require alternative means for communication for regulatory information (braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

SUPPLEMENTARY INFORMATION: On November 20, 2003, CCC published a proposed rule, "Standards for Approval of Warehouses for CCC Interest Commodity Storage" in the **Federal Register** (68 FR 65412). The rule

proposed to revise regulations covering the storage of commodities in which CCC has an interest. For the most part, those commodities are acquired in connection with non-recourse commodity loan programs that benefit farmers. The rule will consolidate the regulations for all commodities stored by CCC into one set of regulations. In addition, the rule would, in some instances, revise the substantive provisions that are in effect under the existing regulations.

The Agency believes that the request for additional time to comment on the proposed rule is reasonable and will still allow the rulemaking to proceed in a timely manner. As a result of the reopening and extension, the comment period for the proposed rule will close on March 11, 2004.

Signed in Washington, DC, January 23, 2004.

James R. Little,

Executive Vice President, Commodity Credit Corporation.

Assessments and Fees

AGENCY: Office of Thrift Supervision, Treasury.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Office of Thrift Supervision (OTS) is proposing to amend its rules on assessments and fees. The proposed rule would replace examination fees for savings and loan holding companies (SLHCs) with semi-annual assessments on top-tier SLHCs. OTS would charge a base assessment amount on all top-tier SLHCs, and would add up to three additional components to this base amount. The three components would be based on the risk or complexity of the SLHC's business, its organizational form, and its condition. OTS is also considering assessing certain SLHCs that are large and complex enterprises

(conglomerates) under a separate assessment procedure and solicits comments on these assessment procedures.

OTS also proposes to amend the existing rules governing the calculation of savings association semi-annual assessments. Specifically, OTS proposes to eliminate the alternative calculation for the asset size component currently available to small "qualifying savings associations."
