Title: WIC Breastfeeding Award of Excellence.

OMB Control Number: 0584–0591.

Summary of Collection: The Healthy, Hunger-Free Kids Act of 2010 (HHFKA) (Pub. L. 111–296, Sec 231) requires the U.S. Department of Agriculture (USDA) to implement a program to recognize exemplary breastfeeding support practices at Women, Infants, and Children (WIC) local agencies and clinics. The WIC program, of which the breastfeeding award of excellence is a part, is authorized by the Child Nutrition Act of 1966 (42 U.S.C. 1787). The award program for breastfeeding excellence was originally titled the Loving Support Award of Excellence, consistent with the former WIC breastfeeding campaign, Loving Support Makes Breastfeeding Work. In 2018, the WIC breastfeeding campaign was updated and rebranded as WIC Breastfeeding Support so the name of the award program was changed as well.

Need and Use of the Information: While HHFKA mandates that the USDA provide a program to recognize exemplary breastfeeding support practices, it is voluntary for the WIC local agencies and clinics to apply for an award. Information is collected from the WIC local agencies to apply for an award and used by the WIC state agencies to evaluate the applications. The award application period is open once annually, and has been designed to allow local WIC agencies at different stages of progress in breastfeeding promotion and support program development to apply for an award. The information collection will meet the HHFKA requirement to implement a program to recognize exemplary breastfeeding support practices at WIC local agencies and clinics. The information collected through this program will be used to evaluate components of existing breastfeeding programs and support within WIC local agencies, to recognize local WIC agencies that provide exemplary breastfeeding programs and support services, and to provide examples of model programs to motivate local agencies and clinics to strengthen their breastfeeding promotion and support activities.

Description of Respondents: State, Local, or Tribal Government.

Number of Respondents: 269.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 574.
