

operational and financial condition of the UIT. Absent the requirement to disclose all material information in reports, investors would be unable to obtain accurate information upon which to base investment decisions and consumer confidence in the securities industry might be adversely affected. Requiring the submission of these reports to the Commission permits us to verify compliance with securities law requirements.

Rule 30e-2, however, permits, under certain conditions, delivery of a single shareholder report to investors who share an address ("householding"). Specifically, rule 30e-2 permits householding of annual and semi-annual reports by UITs to satisfy the delivery requirements of rule 30e-2 if, in addition to the other conditions set forth in the rule, the UIT has obtained from each applicable investor written or implied consent to the householding of shareholder reports at such address. The rule requires UITs that wish to household shareholder reports with implied consent to send a notice to each applicable investor stating that the investors in the household will receive one report in the future unless the investors provide contrary instructions. In addition, at least once a year, UITs relying on the rule for householding must explain to investors who have provided written or implied consent how they can revoke their consent. The purpose of the notice and annual explanation requirements associated with the householding provisions of the rule is to ensure that investors who wish to receive individual copies of shareholder reports are able to do so.

The Commission estimates that the annual burden associated with rule 30e-2 is 121 hours per respondent, including an estimated 20 hours associated with the notice requirement for householding and an estimated 1 hour associated with the explanation of the right to revoke consent to householding. The Commission estimates that there are currently approximately 760 UITs. Therefore, the Commission estimates that the total hour burden is approximately 91,960 hours. In addition to the burden hours, the Commission estimates that the annual cost of contracting for outside services associated with rule 30e-2 is \$20,000 per respondent, for a total annual cost of approximately \$15,200,000.

Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. The collection of information under rule

30e-2 is mandatory. The information provided under rule 30e-2 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66903; File No. SR-
NYSEAmex-2012-27]

Self-Regulatory Organizations; NYSE Amex LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Implementing an Increase to the Login Fee Within the NYSE Amex Options Fee Schedule

May 2, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 27, 2012, NYSE Amex LLC (the “Exchange” or “NYSE Amex”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to increase the login fee within the NYSE Amex Options Fee Schedule (“Fee Schedule”) and to make this increase operative on May 1, 2012. The text of the proposed rule change is available at the Exchange, the Commission’s Public Reference Room, and www.nyse.com.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to increase the login fee within the Fee Schedule and to make this increase operative on May 1, 2012.

The Exchange currently charges Floor brokers a \$150 per month login fee for access to the Floor broker Workstation (“FBW”), which is an Exchange-sponsored Floor broker order entry system.³ In addition to enabling Floor brokers to electronically submit orders to the Exchange, the FBW contributes to Floor brokers complying with various Exchange rules, such as the order format and system entry requirements of NYSE Amex Options Rule 955NY.

The Exchange proposes to increase the login fee from \$150 per login per month to \$215 per login per month. This proposed increase, which would be the first in the more than three years since the login fee was implemented, would permit the Exchange to offset the increase in the Exchange’s cost to make the FBW available to Floor brokers and would also permit the Exchange to continue to make enhancements and upgrades to the FBW available to Floor brokers.

The Exchange proposes that the increase to the login fee become effective on May 1, 2012.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the “Act”),⁴ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁵ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities. Specifically, the Exchange believes that the proposed rule change is reasonable, equitable and not unfairly discriminatory because it would permit the Exchange to offset the increase in the Exchange’s cost to make the FBW available to Floor brokers. The Exchange also believes that the proposed rule change is reasonable, equitable and not unfairly discriminatory because it would permit the Exchange to continue to make enhancements and upgrades to the FBW available to Floor brokers. Additionally, the Exchange believes that the proposed

rule change is reasonable, equitable and not unfairly discriminatory because the login fee, and the proposed increase thereof, is applicable to all Floor brokers that receive access to the FBW.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁶ of the Act and subparagraph (f)(2) of Rule 19b-4⁷ thereunder, because it establishes a due, fee, or other charge imposed by the NYSE Amex.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
