

minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments regarding this information collection received by November 25, 2024 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Agricultural Research Service

Title: Meeting the Information Requirements of the Animal Welfare Act Workshop Registration Form.

OMB Control Number: 0518–0033.

Summary of Collection: The U.S. Department of Agriculture, National Agricultural Library (NAL), Animal Welfare Information Center conducts a workshop titled “Meeting the Information Requirements of the Animal Welfare Act.” The registration form collects information from interested parties necessary to register them for the workshop. This information includes workshop data preferences, signature, name, title, organization name, mailing address, phone and fax numbers and email address. The information will be collected using online and printed versions of the form. Also, forms can be fax or mailed.

Need and Use of the Information: NAL will collect information to register participants, contact them regarding schedule changes, control the number of participants due to limited resources and training space, and compile and customize class materials to meet the needs of the participants. Failure to collect the information would prohibit the delivery of the workshop and significantly inhibit NAL’s ability to provide up-to-date information on the requirements of the Animal Welfare Act.

Description of Respondents: Individuals or Households; Not-for-

Profit Institutions; Business or Other for-profit; Government; State, Local, or Tribal Government.

Number of Respondents: 840.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 42.

Rachelle Ragland-Greene,

Departmental Information Collection Clearance Officer.

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request; Correction

October 21, 2021.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding: whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency’s estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by November 25, 2024 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Office of Partnerships and Public Engagement

Title: Outreach and Assistance to Socially Disadvantaged Farmers and Ranchers and Veteran Farmers and Ranchers Program (2501 Program) Application and Performance Reporting.

OMB Control Number: 0503–NEW.

Summary of Collection: The Department of Agriculture published a document in the **Federal Register** on October 16, 2024 at 89 FR 83446 concerning a request for comments on the Information Collection “Outreach and Assistance to Socially Disadvantaged Farmers and Ranchers and Veteran Farmers and Ranchers Program (2501 Program) Application and Performance Reporting” OMB control number 0503–NEW. The reporting agency in the second column of page 83447 reads the Office of Procurement and Property Management, which is incorrect. The correct reporting agency for this notice should be the Office of Partnerships and Public Engagement.

Levi S. Harrell,

Departmental Information Collection Clearance Officer.

Food and Nutrition Service

Agency Information Collection Activities: Food Distribution Program on Indian Reservations Participant Characteristics and Program Operations Study

AGENCY: Food and Nutrition Service (FNS), United States Department of Agriculture (USDA).

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice invites the general public and other public agencies to comment on this proposed information collection. This is a new information collection request in which FNS seeks updated information about the Food Distribution Program on Indian Reservations (FDPIR), including participant characteristics, program operations, and why FDPIR participation has been declining. This study will also include an evaluation of the self-determination demonstration projects (SDDPs), which allow Tribes administering FDPIR to directly purchase food for the FDPIR food packages distributed to their Tribe.
