### SUPPLEMENTARY INFORMATION:

*Title; Associated Form; and OMB*

*Number:* USMC Family Care Program Forms; NAVMC 1750-16 AND 1750-17; OMB Control Number 0712-FMLY.

*Needs and Uses:* The information collected on these forms is used to support Child and Youth Program (CYP) and School Liaison Program (SLP) activities. For the many transient families we serve, this information helps connect them with the receiving installation's CYP, SLP, or other partnering programs to ensure continuity of support. When an installation's CYP or SLP becomes aware that a family is outbound, they will often connect the family with the receiving installation's CYP, SLP, or other programs, as needed. The YC Request Form can be used to facilitate this. The form offers guidance on how CYP R&R can connect families. Respondents are parents/guardians and youth and will receive the forms directly (usually through the CYP or SLP offices or online portals). Respondents will complete the forms by providing required personal and education information. Parents/guardians complete Navy/Marine Corps (NAVMC) 1750/16 to receive educational information and assistance from local school districts and CYP programs. Parents/guardians and youth complete NAVMC 1750/17 for an opportunity for their youth to be a peer leader. Completed forms are returned to CYP or SLP offices for processing, either in person or electronically. CYP or SLP staff process the forms once returned. These staff members use the information to provide the appropriate services and/or connect families with the receiving installation's programs. The goal is to support military families by ensuring youth have access to educational resources, peer leadership opportunities, and smooth transitions between installations. It helps maintain continuity of educational and youth services, facilitating family readiness and well-being within military communities.

*Affected Public:* Individuals or households.

*Annual Burden Hours:* 2,500.

*Number of Respondents:* 5,000.

*Responses Per Respondent:* 1.

*Annual Responses:* 5,000.

*Average Burden Per Response:* 30 minutes.

*Frequency:* One time.
