Ferrovanadium from the People's Republic of China and the Republic of South Africa: Continuation of Antidumping Duty Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce ("Department") and the International Trade Commission ("ITC") that revocation of the existing antidumping duty ("AD") orders on ferrovanadium from the People's Republic of China ("PRC") and the Republic of South Africa ("South Africa") would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States within a reasonably foreseeable time, the Department is publishing this notice of continuation of the AD orders.

EFFECTIVE DATE: December 19, 2008.

FOR FURTHER INFORMATION CONTACT:

Juanita H. Chen at 202-482-1904; AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On December 3, 2007, the Department initiated sunset reviews of the AD orders on ferrovanadium from the PRC and South Africa, pursuant to section 751(c) of the Tariff Act of 1930, as amended ("Act"). See *Initiation of Five-year ("Sunset") Reviews*, 72 FR 67890 (December 3, 2007); see also *Notice of Amended Final Antidumping Duty Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Ferrovanadium From the People's Republic of China*, 68 FR 4168 (January 28, 2003); *Notice of Antidumping Duty Order: Ferrovanadium from the Republic of South Africa*, 68 FR 4169 (January 28, 2003). As a result of its reviews, the Department found that revocation of these AD orders would likely lead to continuation or recurrence of dumping and notified the ITC of the margins likely to prevail were the orders revoked. See *Ferrovanadium from the People's Republic of China and the Republic of South Africa: Final Results of the Expedited Sunset Reviews of the Antidumping Duty Orders*, 73 FR 19192
