DEPARTMENT OF THE TREASURY

Internal Revenue Service

Proposed Collection; Requesting Comments on Voluntary Customer Surveys To Implement E.O. 12862 Coordinated by the Corporate Planning and Performance Division on Behalf of All IRS Operations Functions

AGENCY: Internal Revenue Service (IRS),
Treasury.

ACTION: Notice and request for
comments.

SUMMARY: The Internal Revenue Service, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995. The IRS is soliciting comments concerning Voluntary Customer Surveys to Implement E.O. 12862 Coordinated by the Corporate Planning and Performance Division on Behalf of All IRS Operations Functions.

DATES: Written comments should be received on or before July 11, 2022 to be assured of consideration.

ADDRESSES: Direct all written comments to Andres Garcia, Internal Revenue Service, Room 6526, 1111 Constitution Avenue NW, Washington, DC 20224, or by email to omb.unit@irs.gov. Include OMB Control Number 1545–1432 in the subject line of the message.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of this collection should be directed to Jon Callahan, (737) 800–7639, at Internal Revenue Service, Room 6526, 1111 Constitution Avenue NW, Washington, DC 20224, or through the internet at jon.r.callahan@irs.gov.

SUPPLEMENTARY INFORMATION: The IRS is currently seeking comments concerning the following information collection tools, reporting, and record-keeping requirements:

Title: Voluntary Customer Surveys to Implement E.O. 12862 Coordinated by the Corporate Planning and Performance Division on Behalf of All IRS Operations Functions.

OMB Number: 1545–1432.

Form: Generic Customer Feedback Surveys.

Abstract: This is a generic clearance for an undefined number of customer satisfaction and opinion surveys to be conducted over the next three years. Surveys conducted under the generic clearance are used by the Internal

Revenue Service to determine levels of customer satisfaction as well as issues that contribute to customer burden. This information will be used to make quality improvements to products and services.

Current Actions: A variety of questionnaires are expected to be used in IRS data gathering efforts. The exact number of different forms, the length of each form, and the number of respondents per form are unknown at the present time. The IRS will also be consolidating surveys issued using different clearance numbers to increase internal efficiency and reduce duplication of work.

Type of Review: Revision of a currently approved collection.

Affected Public: Individuals or households, business or other for-profit organizations, not-for-profit institutions, farms and Federal, state, local or tribal governments.

Estimated Number of Responses: 450,000.

Estimated Time per Response: .10 hours.

Estimated Total Burden Hours: 45,000.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number.

Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: May 4, 2022.

Jon R. Callahan,
Tax Analyst.
