

Special Prosecutor No. 1120392066, French Investigative Judge No. JIRSIF/11/12 or another court of competent jurisdiction.”

RBC represents to the Department that to the best of RBC's knowledge, there have been no material changes since September 2, 2015, the date of RBC's application for PTE 2016–10, that are relevant to that application or the technical corrections set forth herein, other than changes in RBC's number of clients and assets under management RBC makes these representations with the caveat that, as a large global financial institution, it has been subject to a variety of legal proceedings, including civil claims and lawsuits, regulatory examinations, investigations, audits, and requests for information. To the best of its knowledge at this time, however, RBC does not believe that the outcome of any current investigation or other such proceeding would cause the exemption to be unavailable. Moreover, no affiliate of RBC has been convicted of any crime described in section I(g) of the QPAM Exemption and, to the best of RBC's knowledge, neither RBC nor any affiliate has entered into a deferred prosecution or non-prosecution agreement since September 2, 2015.

The Department notes that it is making this technical correction based upon RBC's certified representation that since September 2, 2015: (1) there have in fact been no material changes other than those changes noted above; (2) no affiliate of RBC has been convicted of any crime described in section I(g) of the QPAM Exemption, other than the conviction covered under PTE 2016–10; and (3) neither RBC nor any affiliate of RBC has entered into a deferred prosecution or non-prosecution agreement. If, at any time, RBC discovers any of these representations is no longer true, RBC must immediately contact the Department and submit a written statement that provides the Department with the complete details on the circumstances discovered.

The Department is not taking a position regarding whether the outcome of any proceedings will cause the exemption to be unavailable and also notes that the availability of PTE 2016–10 is conditioned upon RBC's compliance with all of the conditions included therein, including the condition that expressly states: “During the effective period of this temporary exemption, RBC: (1) Immediately discloses to the Department any Deferred Prosecution Agreement (a DPA) or Non-Prosecution Agreement (an NPA) that RBC or an affiliate enters into with the U.S Department of Justice, to the extent such DPA or NPA involves

conduct described in Section I(g) of PTE 84–14 or section 411 of ERISA.” As noted in the preceding paragraph, if RBC discovers that RBC or any RBC affiliate has entered into a DPA or NPA at any time since September 2, 2015, RBC must inform the Department promptly upon RBC or its affiliates' discovery of such fact.

Technical Correction

Section II(a) of PTE 2016–10 is amended to read as follows:

“(a) The term “Conviction” means the potential judgment of conviction against RBCTC Bahamas for aiding and abetting tax fraud to be entered in France in the Court of Appeal, French Special Prosecutor No. 1120392066, French Investigative Judge No. JIRSIF/11/12 or another court of competent jurisdiction”

Signed at Washington, DC, this 5th day of December 2023.

George Christopher Cosby,
Director, Office of Exemption Determinations
Employee Benefits Security Administration
U.S. Department of Labor.

respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment period on this information collection on September 7, 2023, 88 FR 61625.

1. *The title of the information collection:* Grants and Cooperative Agreement Provisions.

2. *OMB approval number:* 3150-0107.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* NRC Forms 972 and 975.

5. *How often the collection is required or requested:* Technical Performance reports are required every 6 months; other information is submitted on occasion as needed.

6. *Who will be required or asked to respond:* Grants and Cooperative Agreement recipients.

7. *The estimated number of annual responses:* 619.

8. *The estimated number of annual respondents:* 235.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 3,346.5 (3,082 reporting + 264.5 recordkeeping).

10. *Abstract:* The Acquisition Management Division is responsible for the awarding grants and cooperative agreement provisions in order to administer the NRC's financial assistance program. The information collected under the provisions ensures that the Government's rights are protected, the agency adheres to public laws, the work proceeds on schedule, and that disputes between the Government and recipient are settled.
