SUPPLEMENTARY INFORMATION: Calpine Corporation, through an agreement with the Torres Martinez Desert Cahuilla Indians, plans to construct, own and operate a 600 megawatt natural gas-fired power plant on a 40-acre parcel of tribal trust land in Riverside County, California, northeast of the town of Mecca. The parcel is located along 62nd Avenue, east of Johnson Street in proximity to the Coachella Canal.

Natural gas is proposed to be supplied to the plant by a new 10 to 12 mile gas line extending northward to a connection point north of the I-10 Freeway. Electricity produced by the plant would be routed through an on-site substation to nearby electrical transmission lines. Improvements to several miles of off-site transmission lines may also be required. Cooling water for the plant is proposed to be obtained from on-site wells. The water would be cycled, then possibly discharged for beneficial re-use at fish farms and/or vineyards on nearby Torres Martinez tribal lands.

The areas of environmental concern so far identified include air quality, biological and botanical resources, aesthetics, water resources and cultural resources. This range of issues may be expanded based on comments received during the scoping process.

This notice is published in accordance with section 1503.1 of the Council on Environmental Quality Regulations (40 CFR Parts 1500 through 1508), implementing the procedural requirements of the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq.*), and the Department of the Interior Manual (516 DM 1-6), and is in the exercise of authority delegated to the Assistant Secretary—Indian Affairs by 209 DM 8.

Dated: June 5, 2000.

DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

[Prohibited Transaction Exemption 2000-30; Exemption Application No. D-10188, et al.

Grant of Individual Exemptions; Barclays Bank PLC and Its Affiliates (Collectively, Barclays)

AGENCY: Pension and Welfare Benefits Administration, Labor.

ACTION: Grant of Individual Exemptions.

SUMMARY: This document contains exemptions issued by the Department of Labor (the Department) from certain of the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (the Act) and/or the Internal Revenue Code of 1986 (the Code).

Notices were published in the **Federal Register** of the pendency before the Department of proposals to grant such exemptions. The notices set forth a summary of facts and representations contained in each application for exemption and referred interested persons to the respective applications for a complete statement of the facts and representations. The applications have been available for public inspection at the Department in Washington, DC. The notices also invited interested persons to submit comments on the requested exemptions to the Department. In addition the notices stated that any interested person might submit a written request that a public hearing be held (where appropriate). The applicants have represented that they have complied with the requirements of the notification to interested persons. No public comments and no requests for a hearing, unless otherwise stated, were received by the Department.

The notices of proposed exemption were issued and the exemptions are being granted solely by the Department because, effective December 31, 1978, section 102 of Reorganization Plan No. 4 of 1978, 5 U.S.C. App. 1 (1996), transferred the authority of the Secretary of the Treasury to issue exemptions of the type proposed to the Secretary of Labor.
