Overview of This Information Collection

(1) *Type of Information Collection:* Reinstatement, with change, of a previously approved collection for which approval has expired.

(2) *Title of the Form/Collection:* 2013 Census of Law Enforcement Training Academies.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: CJ-52.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: State and Local Government. This information collection is a census of law enforcement training academies. The affected public that will be asked to respond will include approximately 700 state, regional, county, municipal, campus, and tribal law enforcement training academies that operate basic training programs. The information will

provide national statistics on law enforcement training staff, recruits/trainees, curricula, facilities, and policies.

This collection is the only national effort devoted to describing and understanding the training received by recruits entering the profession of law enforcement. The collection enables BJS, other federal agencies, and state, regional, local, campus, and tribal law enforcement authorities, as well as legislators and researchers, to track changes in the characteristics of basic recruits and their training programs.

(5) *An estimate of the total number of respondents and the average amount of time for a respondent to respond:* It is estimated that 700 respondents will complete a two-hour form. It is estimated that 70 of these respondents will be contacted a second time to participate in reliability testing for selected items. This testing will average about one hour per selected respondent.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 1,470 total annual burden hours associated with this collection.
