SUPPLEMENTARY INFORMATION:
Authority: Section 116, Public Law 115–48; Section 8006, Public Law 117.2.
Title: Employment Certification Form, VA Form 22–10201.
OMB Control Number: 2900–0874.
Type of Review: Revision of a currently approved collection.

Abstract: On August 16, 2017, the President signed into law, the Harry W. Colmery Veterans Educational Assistance Act of 2017 (''Forever GI Bill''), Public Law 115–48, which amended Title 38, United States Code to make certain improvements in the laws administered by the Secretary of Veterans Affairs (VA), and for other purposes.

Section 116 of the law authorizes VA to establish a 5-year high technology pilot program for Veterans as an educational program provided by leading technology employers. Section 116 also requires that VA receive Employment Certification from School Certifying Officials (SCOs) and Veterans enrolled in the VET TEC pilot program.

Additionally, Section 116 of Public Law 115–48, and Section 8006 of Public Law 117–2, authorized VA to implement both the Veteran Employment through Technology Education Courses (VET TEC), and the Veteran Rapid Retraining Assistance Program (VRRAP), respectively. Both of these programs provide assistance to an eligible Veteran for the pursuit of a covered program of education. This form therefore allows Veterans who either participated in a VRRAP or VET TEC program to certify to VA that they have found employment in a field related to their program of education. The VET TEC Employment Certification Form 22–10201, which is also used as the employment certification for VRRAP, will allow student Veterans and SCOs to certify that a student Veteran has obtained meaningful employment with the skills acquired during their training program funded by those programs. VA continues to require approval of this information collection, so that VA can verify Veteran employment, as required by the law. VA would not comply with statute, if we do not collect the Veteran Employment Certification. The new laws require VA to certify and verify employment for student Veterans, which aligns with the skills acquired during their training program, funded by the VET TEC program offered by the Department of Veterans Affairs.
