Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 USC 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioning groups of workers are covered by active certifications. Consequently, further investigation in these cases would serve no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

85,281, John Wiley and Sons, Inc., Hoboken, New Jersey.

85,421, YP Holdings LLC., Southfield, Michigan.

I hereby certify that the aforementioned determinations were issued during the period of *August 4, 2014 through August 8, 2014*.
