SUPPLEMENTARY INFORMATION:

Background

On February 1, 2010, the Department initiated and the ITC instituted a sunset review of the antidumping duty order on tissue paper from the PRC, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). *See also Notice of Antidumping Duty Order: Certain Tissue Paper Products from the People's Republic of China*, 70 FR 16223 (March 30, 2005).

The Department conducted an expedited sunset review of this order. As a result of its review, the Department found that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping, and notified the ITC of the magnitude of the margins likely to prevail were the order to be revoked. *See Certain Tissue Paper Products from the People's Republic of China: Final Results of Expedited Sunset Review*, 75 FR 32910 (June 10, 2010) (*Final Results*).

On July 8, 2010, the ITC published its determination pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on tissue paper from the PRC would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. *See Certain Tissue Paper Products from China; Determinations*, 75 FR 39277 (July 8, 2010).

Scope of the Order

The tissue paper products covered by the order are cut-to-length sheets of tissue paper having a basis weight not exceeding 29 grams per square meter. Continuation of the Order

As a result of the determinations by the Department and the ITC that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty orders on tissue paper from the PRC.

U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect
