Drug Enforcement Administration

[Docket No. 11-72]

Moore Clinical Trials, L.L.C.; Decision and Order

On August 8, 2011, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, issued an Order to Show Cause to Moore Clinical Trials, L.L.C. (Respondent), of North Little Rock, Arkansas. The Show Cause Order proposed the denial of Respondent's application for a DEA Certificate of Registration as a researcher, on the ground that "its registration would be inconsistent with the public interest." ALJ Ex. 1, at 1 (citing 21 U.S.C. 823(f)).

The Show Cause Order alleged that on March 15, 2011, Ms. Greta B. The Show Cause Order then alleged that "Ms. Moore initially informed DEA investigators that she had experience researching with controlled substances but then admitted this assertion was not true." *Id.* (citing 21 U.S.C. 823(f)(5)).

Next, the Show Cause Order alleged that "[t]he only DEA registered physician that plans to work at [Respondent] will have very limited hours and contact with" it. *Id.* at 2. The Show Cause Order further alleged that "[i]n 2006, the Arkansas State Medical Board suspended this physician's medical license because . . . he . . . pre-signed controlled substance
