### IV. Withdrawal of Authorization

Pursuant to section 404(c) of TSCA, the EPA Administrator may withdraw a State or Tribal lead-based paint activities program authorization, after notice and opportunity for corrective action, if the program is not being administered or enforced in compliance with standards, regulations, and other requirements established under the authorization. ### FEDERAL EMERGENCY MANAGEMENT AGENCY

#### Agency Information Collection Activities: Proposed Collection; Comment Request

**ACTION:** Notice and request for comments.

**SUMMARY:** The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other agencies to take this opportunity to comment on a proposed reinstatement without change of a previously approved information collection for which approval has expired. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments concerning Temporary Housing Assistance for victims of a federally declared disaster.

**SUPPLEMENTARY INFORMATION:** Public Law 93-288, as amended by Public Law 100-707, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Section 408, authorizes the Federal Emergency Management Agency (FEMA) to provide Temporary Housing Assistance. This type of assistance could be in the form of mobile homes, travel trailers, or other readily fabricated dwelling. This assistance is used when required to provide disaster housing for victims of federally declared disasters. In the event this assistance is used, and other alternate housing is not available; the law provides for the sale of mobile homes to eligible disaster applicants at prices that are fair and equitable. A provision has been made which includes a formula for adjustments in the sale price when there is a need to purchase the unit as a primary residence because all other housing resources have been exhausted. This provision also takes into account that in addition to his/her own resources, the purchaser cannot obtain sufficient funds through insurance proceeds, disaster loans, grants, and commercial lending institutions to cover the sales price.

The ability to borrow money commercially is an important factor in determining the final sales price.

**Affected Public:** Individuals or households; business or other for profit.

**Number of Respondents:** 520.

**Frequency of Response:** On occasion.
