Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Safety and Health Information Collection

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on April 19, 2021 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: National Institute of Standards and Technology (NIST), Commerce.

Title: Safety and Health Information Collection.

OMB Control Number 0693-0080.

Form Number(s): None.

Type of Request: Regular.

Number of Respondents: 999.

Average Hours per Response: 10 minutes.

Burden Hours: 168.

Needs and Uses: The National Institute of Standards and Technology (NIST) is a unique federal campus which hosts daily a range of non-federal individuals. Non-federal individuals may include NIST Associates, volunteers, students, and visitors. In order to provide these individuals with proper health care and health documentation, NIST is pursuing renewal of approval of three health unit forms.

Affected Public: Some Associates, volunteers, and visitors to NIST.

Frequency: As needed.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0693-0080.

National Oceanic and Atmospheric Administration

Notice of Matching Fund Opportunity for Ocean and Coastal Mapping and Request for Partnership Proposals

AGENCY: Office of Coast Survey (OCS), National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

ACTION: Announcement of matching fund program opportunity, request for proposals, and request for interest by October 29, 2021.

SUMMARY: This notice establishes selection criteria and requirements for the NOAA Rear Admiral Richard T. Brennan Ocean Mapping Matching Fund program, to be known as the Brennan Matching Fund. The purpose of this notice is to encourage non-Federal entities to partner with the NOAA National Ocean Service ocean and coastal mapping programs on jointly funded ocean and coastal surveys and related activities of mutual interest. NOAA would receive and match partner funds and rely on its existing contract arrangements to conduct the surveying and mapping activities in FY 2023.

DATES: Proposals must be received via email by 5 p.m. ET on October 29, 2021. Applicants must submit via email any accompanying geographic information system (GIS) files, which are due no later than November 5, 2021. If an entity is unable to apply for this particular opportunity but has an interest in participating in similar, future opportunities, NOAA requests a one-page statement of interest, instead of a proposal, also by October 29, 2021, to help gauge whether to offer the Brennan Matching Fund program in future years.

ADDRESSES: Proposals must be submitted in PDF format via email to iwgocm.staff@noaa.gov by the October 29, 2021, deadline. NOAA strongly encourages interested entities to submit their proposals in advance of the deadline.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information should be directed to Ashley Chappell, NOAA Integrated Ocean and Coastal Mapping Coordinator, 240-429-0293, or ashley.chappell@noaa.gov.

SUPPLEMENTARY INFORMATION:

Background

NOAA's Office of Coast Survey (OCS) and National Geodetic Survey (NGS) are responsible for conducting hydrographic surveys and coastal mapping for safe navigation, the conservation and management of coastal and ocean resources, and emergency response. NOAA is committed to meeting these missions as collaboratively as possible, adhering to the Integrated Ocean and Coastal Mapping (IOCM) principle of "Map Once, Use Many Times."

One of IOCM's strongest advocates, Rear Admiral Richard T. Brennan, developed an Ocean Mapping Plan for OCS in which IOCM plays a large role. Responsive to the June 2020 publications of the National Strategy for Mapping, Exploring, and Characterizing the U.S. Exclusive Economic Zone
