

Comments are invited on:

(1) Whether this collection information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of burden, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of the information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public records. Comments will be summarized and included in the submission for Office of Management and Budget approval.

Signed at Washington, DC, on October 26, 2007.

John A. Johnson,

Acting Administrator, Farm Service Agency.

Forest Service

Information Collection; Prince William Sound User Experience Survey

AGENCY: Forest Service, USDA.

ACTION: Notice; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, the Forest Service is seeking comments from all interested individuals and organizations on the new information collection: Prince William Sound User Experience Survey.

DATES: Comments must be received in writing on or before December 31, 2007 to be assured of consideration.

Comments received after that date will be considered to the extent practicable.

ADDRESSES: Comments concerning this notice should be addressed to Sara Boario or Aaron Poe, Glacier Ranger District, Chugach National Forest, Forest Service, USDA, P.O. Box 129 Forest Station Road, Girdwood, AK 99587

Comments also may be submitted via facsimile to (907) 783-2094 or by e-mail to: sboario@fs.fed.us and apoe@fs.fed.us.

The public may inspect comments received at Glacier Ranger District, 145

Forest Station Road, Girdwood, Alaska, during normal business hours; 0800-1700 Monday through Friday. Visitors are encouraged to call ahead to (907) 783-3242 to facilitate entry to the building.

FOR FURTHER INFORMATION CONTACT: Sara Boario and Aaron Poe at (907) 783-3242. Individuals who use TDD may call the Federal Relay Service (FRS) at 1-800-877-8339, 24 hours a day, every day of the year, including holidays.

SUPPLEMENTARY INFORMATION:

Title: Prince William Sound User Experience Survey.

OMB Number: 0596-New.

Type of Request: New.

Abstract: In 1989, Prince William Sound (PWS), the heart of the Chugach National Forest (CNF), was severely impacted by the Exxon Valdez Oil Spill (EVOS). In the aftermath of the spill, federal and state trustees were awarded criminal and civil restitution funds to help with the recovery (and the evaluation of the recovery) of injured resources and human services, including the recreation/tourism service (still listed as "recovering"). For the current list of injured resources and human services, please visit the Exxon Valdez Oil Spill Trustee Council: <http://www.evostc.state.ak.us/Publications/injuredresources.cfm>.

The CNF, as the major land-owning federal trustee in PWS, is required and committed to playing an important role in the recovery process. One area that has received less attention by researchers in the past, and is of critical importance to the CNF managers today, is the distribution, behavior and experience of human users throughout the PWS and its impact on EVOS injured resources and human services. Human use in the PWS is increasing, and there is growing concern that increased competition and rapid growth in commercial and independent human use may be threatening EVOS injured resources and human services.

The Prince William Sound User Experience Survey, along with an associated recreation behavior simulation (funded by EVOS federal criminal restitution dollars) will add critical depth to the few existing PWS human use studies by describing the exact nature of user-resource experiences in the PWS, and evaluating the potential for conflict among user groups and displacement due to lingering oil.

Both user experience and conflicts between user groups have significant implications for injured resources and human services recovery. This information is required to make

predictions about changing dynamics of human use distribution and intensity. Such predictive power is needed to gain an understanding of the spatial and temporal patterns of recreation/tourism human use relative to EVOS impacted resources and services. The results will inform recovery and restoration activities which have been undertaken by both the EVOS trustees and local resource managers relative to current and projected levels of human use. It also provides an excellent opportunity to assess the recovery of the recreation/tourism human service, injured and redistributed by the EVOS and still listed as "recovering" by the Trustee Council, and whether or how CNF managers can further enhance its recovery.

PWS recreation users will be contacted at harbors in three communities: Whittier, Cordova, and Valdez prior to embarking on their trips. They will be asked to complete a questionnaire during their trip and return it in a self-addressed and stamped envelope. The information will be collected by Forest Service employees and contractors for the University of Arizona.

Data collection efforts will consist of a mapped description (trip diary) of the trip completed; the numbers and types of encounters respondents had with other users during the trip; and user perceptions about experiences relative to expectations prior to the trip. Additionally, limited categorical information will be collected about the mode of transportation and preferred recreation activity in the PWS.

This information will be used to characterize recreation users to the area, as well as experiences of individuals regarding encounters with other human uses. The data will be used by managers to determine use patterns for the PWS, giving decision makers insight into the recovery of injured resources and human services, which were redistributed around the PWS in the aftermath of EVOS. This data will provide managers with the ability to protect and restore EVOS injured resources and human services during a time of increasing human use in the PWS.

Estimate of Annual Burden: 20 minutes.

Type of Respondents: Individuals.
Estimated Annual Number of Respondents: 500.

Estimated Annual Number of Responses per Respondent: One.

Estimated Total Annual Burden on Respondents: 167 hours.

Comment is invited on: (1) Whether this collection of information is

necessary for the stated purposes and the proper performance of the functions of the agency, including whether the information will have practical or scientific utility; (2) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this notice, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the request for Office of Management and Budget approval.

Dated: October 25, 2007.

C.L. Newman, Jr.,

Acting Deputy Chief, NFS.

Forest Service

Notice of Proposed Fee Change; Federal Lands Recreation Enhancement Act (Title VIII, Pub. L. 108-447)

AGENCY: USDA Forest Service.

ACTION: Notice of proposed fee change.

SUMMARY: The Begich, Boggs Visitor Center, located within the Chugach National Forest in Alaska will change the fee it charges after consideration of public comments. New fees are to begin on Memorial Day Weekend 2008. The increased fee that it collects will help to make up the shortfall in operations and maintenance costs that it is experiencing due to declining Federal budgets and a change in fee authority. The expanded fee program will allow the visitor center to reopen its doors to the public on weekends from October through May, and to offer interpretive presentations to the public during the summer months, as well as upkeep the center and its exhibits and audio-visual programs and equipment. We are also planning to charge facility use fees, as outlined in our "Amended Business and Communication Plan 2007," for special use of the visitor center. As a result we are also seeking input from the public on the fee structure for special facility

use during the same comment period. The special facility use fees will be a part of the amended Recreation Fee structure for the Begich, Boggs Visitor Center and help us to meet our operation and maintenance needs. Currently the only fee charged at the center is a fee for the movie "Voices From the Ice." The fee is currently \$1 per person (age 16 and older). Starting on Memorial Day Weekend 2008, we propose to charge a higher fee to all visitors (age 16 and older). The expanded fee will allow these visitors to see the movie, visit the exhibits and participate in any of our interpretive walks and presentations offered. Those people who do not pay for this expanded standard amenity fee will be able to use the restrooms, shop in the Alaska Natural History Association bookstore or ask questions of our staff at the front desk.

DATES: Please submit comments on or before January 2, 2008.

ADDRESSES: Lezlie Murray, Glacier Ranger District, Chugach National Forest, P.O. Box 129, Girdwood, AK 99587.

FOR FURTHER INFORMATION CONTACT:

Lezlie Murray, Visitor Center Director, Begich, Boggs Visitor Center, (907) 754-2316, lmurray01@fs.fed.us. http://www.fs.fed.us/r10/chugach/chugach_pages/bbvc.html.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever a change in an established recreation fee is being considered. The Recreation Fee Program, authorized in Public Law 104-134, is designed to fund federal recreation facilities and services and visitor center facilities and services through user fees collected on the site. The Begich, Boggs Visitor Center has charged a fee for the movie through the Fee Demo Program beginning in 1999, and then through the Federal Recreation Lands Enhancement Act when the Fee Program was made permanent beginning in 2005.

Dated: October 26, 2007.

Joe L. Meade,

Forest Supervisor.

Certain Frozen Warmwater Shrimp from the People's Republic of China: Rescission of the Second Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 1, 2007.

FOR FURTHER INFORMATION CONTACT:

Michael Quigley, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone: (202) 482-4047.

Background

On April 6, 2007, the Department of Commerce ("the Department") published in the **Federal Register** a notice of initiation listing 105 firms for which it received timely requests for an administrative review of this antidumping duty order. *See Notice of Initiation of Administrative Reviews of the Antidumping Duty Orders on Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam and the People's Republic of China*, 72 FR 17095 (April 6, 2007). The period of review (POR) is February 1, 2006, through January 31, 2007.

On July 5, 2007, the Louisiana Shrimp Association ("LSA") withdrew its
