

health IT and will be used to achieve the goal of developing seamless and secure electronic health records nationwide.

Methods of Collection

Participation in the Assessment will be fully voluntary and non-participation will have no affect on eligibility for, or receipt of, future AHRQ health services research support or on future opportunities to participate in research

or to obtain informative research results. In each of the 33 States and Puerto Rico, 15 meetings will be held with stakeholder groups. Each group will have approximately 25 participants who will represent providers of health services, entities supporting health delivery systems, public health agencies, patients, individual consumers, and consumer groups. During these stakeholder meetings, participants will discuss different

“scenarios” describing practical examples of health information exchanges (e.g., patient care, emergency/disaster response, payments, research, compliance with mandatory statutory reporting, law enforcement requests for information, etc.). The objective of these meetings is to identify and assess the affect of organization-level business policies and practices that promote or pose challenges to health information exchange.

ESTIMATED ANNUAL RESPONDENT BURDEN

Type of research activity	Number of respondents	Estimated time per respondent (hours)	Total burden hours
Stakeholder Meetings	12,750	3	38,250
Total	12,750	3	38,250

Estimated Costs to the Federal Government

Expenses (equipment, overhead, printing and support staff) will be incurred by AHRQ components as part of their normal operating budgets. No additional cost to the Federal Government is anticipated.

Request for Comments

In accordance with the above-cited Paperwork Reduction Act, comments on the AHRQ information collection are requested with regard to any of the following: (a) Whether the proposed collection of information is necessary for the proper performance of functions of AHRQ, including whether the information will have practical utility; (b) the accuracy of the AHRQ's estimate of burden (including hours and cost) of the proposed collection of information; and (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information upon the respondents, including the use of automated collection techniques of other forms of information technology.

Comments submitted in response to this notice will be summarized and included in the request for OMB approval of the proposed information collection. All comments will become a matter of public record.

Dated: June 2, 2006.

Carolyn M. Clancy,
Director.

Administration on Aging

2005 White House Conference on Aging

AGENCY: Administration on Aging, HHS.

ACTION: Notice of conference call.

SUMMARY: Pursuant to Section 10(a) of the Federal Advisory Committee Act as amended (5 U.S.C. Appendix 2), notice is hereby given that the Policy Committee of the 2005 White House Conference on Aging will discuss items related to the final report of the Conference during a conference call. The conference call will be open to the public to listen, with call-ins limited to the number of telephone lines available. Individuals who plan to call in and need special assistance, such as TTY, should inform the contact person listed below in advance of the conference call. This notice is being published less than 15 days prior to the conference call due to scheduling problems.

DATES: The conference call will be held on Monday, June 12, 2006, at 11 a.m., Eastern Standard Time.

ADDRESSES: The conference call may be accessed by dialing, U.S. toll-free, 1-800-369-3181, passcode: 2108199, call leader: Nora Andrews, on the date and time indicated above.

FOR FURTHER INFORMATION CONTACT:

Nora Andrews, (202) 357-3463, or e-mail at Nora.Andrews@hhs.gov. Registration is not required. Call in is on a first come, first-served basis.

Dated: June 1, 2006.

Edwin L. Walker,

Deputy Assistant Secretary for Policy and Programs.

BILLING CODE 4163-18-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Comment Request

Title: Relationship Quality Instrument
for Mentoring Children of Prisoners
Program.

OMB No.: New Collection.

Description: The Promoting Safe and
Stable Families Amendments of 2001
(Pub. L. 107-133) amended Title IV-B
of the Social Security Act (42 U.S.C.
629-629e) to provide funding for
nonprofit agencies that recruit, screen,
train, and support mentors for children

with an incarcerated parent or parents.
The Family and Youth Services Bureau
(FYSB) of the Administration for
Children and Families, United States
Department of Health and Human
Services, administers the Monitoring
Children of Prisoners (MCP) program.
The MCP program creates lasting, high-
quality one-to-one mentoring
relationships that provide young people
with caring adult role models. The
quality of these relationships is an
important indicator of success in
mentoring programs. Previous research
has shown an association between high-
quality mentoring relationships and
positive changes in youth behavior
associated with positive youth benefits,
such as improved school attendance,
reductions in risk behavior, and other
benefits.

The Relationship Quality Instrument
consists of 15 rigorously field-tested
questions¹ about the relationship, plus
several questions that establish context
(age, gender, duration of relationship
and frequency of contacts, etc.). The
answers to the questions help assess

how satisfied the youth (mentee) is with
the relationship; whether the mentee is
happy in the relationship; whether the
mentee trusts the mentor; and whether
the mentor has helped the mentee to
cope with problems. Researchers in the
field of mentoring have tested and
validated the questions.

FYSB requires grantees receiving
funding to provide information that can
be used to evaluate outcomes for
participating children. FYSB will use
the information provided by the
instrument to assure effective service
delivery and program management and
to guide the development of national
monitoring and technical assistance
systems. Finally, FYSB will use data
from this collection for reporting
program outcomes to Congress in the FY
2006 Performance Report during the
budget process and as the basis for
outcome evaluation of the program over
the long term.

Respondents: Public, community- and
faith-based organizations receiving
funding to implement the MCP program.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Relationship Quality Instrument for Men- toring Children of Prisoners Program.	215 MCP grantees serving a total of ap- proximately 25,000 children in the active annual caseload.	1	116 (average caseload for MCP grantee).	24,940.

*Estimated Total Annual Burden
Hours:* 24,940.

Additional Information: Copies of the
proposed collection may be obtained by
writing to the Administration for
Children and Families, Office of
Administration, Office of Information
Services, 370 L'Enfant Promenade, SW.,
Washington, DC 20447, Attn: ACF
Reports Clearance Officer. All requests
should be identified by the title of the
information collection. E-mail address:
infocollection@acf.hhs.gov.

OMB Comment: OMB is required to
make a decision concerning the
collection of information between 30
and 60 days after publication of this
document in the **Federal Register**.
Therefore, a comment is best assured of
having its full effect if OMB receives it
within 30 days of publication. Written
comments and recommendations for the
proposed information collection should
be sent directly to the following: Office
of Management and Budget, Paperwork
Reduction Project, Attn: Desk Officer for

ACF, E-mail address:

Katherine T. Astrich@omb.eop.gov.

Dated: June 1, 2006.

Robert Sargis,

Reports Clearance Officer.

Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: Evaluation of the Head Start
Region III I am Moving, I am Learning
(IM/IL) Program.

OMB No.: New Collection.

Description: The purpose of this
evaluation is to examine the
implementation of the Head Start
project *I am Moving, I am Learning* (IM/

IL) as a preventive intervention targeting
obesity in children. IM/IL was designed
to fit within the Head Start Performance
Standards and the Head Start Child
Outcomes Framework through
enhancements to current teaching and
family support practices by providing
more focused guidance on quality
movement, gross and fine motor
development, and child nutrition.

This data collection will be conducted
among programs implementing IM/IL in
Region III and will gain information
about each site's program context and
service components, including level of
adoption of IM/IL enhancements,
intensity of implementation, and
sustainability of enhancements.
Outcomes and goals of the IM/IL
program that can be measured will also
be assessed.

Respondents: Head Start directors,
management teams, teachers, and staff
in Region III that received IM/IL
training; parents or guardians of
children who attend Head Start
