Abstract: The purpose is to implement a data collection and review process for a new annual reporting for Government Performance Results Act (GPRA) purposes for the National Writing Project (NWP) program. These data are necessary to assess the performance of the NWP program in meeting its stated goals and objectives. The data collection will occur in phases over a 2-year period. Although all ED-grantees are required to provide performance data on an annual or periodic basis, the respondents for this data collection are participants in the NWP grant; therefore, their participation in the data collection is voluntary.

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before June 9, 2008.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Abstract: The Department is requesting an extension of the approval for the Generic Application Package that numerous ED discretionary grant programs use to provide to applicants the forms and information needed to apply for new grants under those grant program competitions. The Department will use this Generic Application Package for discretionary grant programs that: (1) Only use the standard ED or Federal-wide grant application forms that have been cleared separately through OMB and (2) only use selection criteria chosen from the menu of criteria in 34 CFR 75.210 of the Education Department General Administrative Regulations (EDGAR); statutory selection criteria or a combination of EDGAR and statutory selection criteria. The use of the standard ED grant application forms and the use of EDGAR and/or statutory selection criteria promotes the standardization and streamlining of ED discretionary grant application packages.
