

sufficient funds (in addition to its upfront payment) to bring its total amount of money on deposit with the Government to 20 percent of its net winning bids (actual bids less any applicable bidding credit). *See* 47 CFR 1.2107(b). In addition, by the same deadline all bidders must pay any bid withdrawal payments due under 47 CFR 1.2104(g), as discussed in "Bid Removal and Bid Withdrawal," Part IV.B.vi. (Upfront payments are applied first to satisfy any withdrawn bid liability, before being applied toward down payments.)

B. Long-Form Application

97. Within ten business days after release of the auction closing public notice, winning bidders must electronically submit a properly completed long-form application and required exhibits for each construction permit won through Auction No. 82. Winning bidders that are claiming new entrant status must include an exhibit demonstrating their eligibility for the bidding credit. *See* 47 CFR 1.2112(b). Further filing instructions will be provided to the auction winners at the close of the auction.

C. Default and Disqualification

98. Any high bidder that defaults or is disqualified after the close of the auction (*i.e.*, fails to remit the required down payment within the prescribed period of time, fails to submit a timely long-form application, fails to make full payment, or is otherwise disqualified) will be subject to the payments described in 47 CFR 1.2104(g)(2). In such event the Commission may re-auction the construction permit or offer it to the next highest bidder (in descending order) at their final bid. *See* 47 CFR 1.2109(b) and (c). In addition, if a default or disqualification involves gross misconduct, misrepresentation, or bad faith by an applicant, the Commission may declare the applicant and its principals ineligible to bid in future auctions, and may take any other action that it deems necessary, including institution of proceedings to revoke any existing licenses or construction permits held by the applicant. *See* 47 CFR 1.2109(d).

D. Refund of Remaining Upfront Payment Balance

99. All applicants that submitted upfront payments but were not winning bidders for a construction permit in Auction No. 82 may be entitled to a refund of their upfront payment balance after the conclusion of the auction. No refund will be made unless there are excess funds on deposit from that

applicant after any applicable bid withdrawal payments have been paid. All refunds will be returned to the payer of record, as identified on the FCC Form 159, unless the payer submits written authorization instructing otherwise.

100. Qualified bidders that have exhausted all of their activity rule waivers, have no remaining bidding eligibility, and have not withdrawn a high bid during the auction must submit a written refund request. If you have completed the refund instructions electronically, then only a written request for the refund is necessary. If not, the request must also include wire transfer instructions and a Taxpayer Identification Number (TIN). Send refund request to: Federal Communications Commission, Financial Operations Center, Auctions Accounting Group, Michelle Bennett, 445 12th Street, SW., Room 1-C864, Washington, DC 20554.

101. Bidders are encouraged to file their refund information electronically using the refund information portion of the FCC Form 175, but bidders can also fax their information to the Auctions Accounting Group at (202) 418-2843. Once the information has been approved, a refund will be sent to the party identified in the refund information.

Note: Refund processing generally takes up to two weeks to complete. Bidders with questions about refunds should contact Tim Dates or Gail Glasser at (202) 418-1995.

Medical Devices; Third-Party Premarket Submission Review and Quality System Inspections Under United States/European Community Mutual Recognition Agreement (OMB Control No. 0910-0378)—Extension

The third-party program under the United States/European (U.S./EC) Community/Mutual Recognition Agreement (MRA) is intended to implement that part of the U.S./EC MRA that covers the exchange of quality system evaluation reports for all medical devices and premarket evaluation reports for selected low-to-moderate risk devices. Under the MRA, firms may apply to become designated as a U.S. Conformity Assessment Body (CAB). Firms who are designated will be qualified to conduct quality system evaluations for all classes of devices and product type examinations and verifications for selected devices based on EC requirements under the voluntary third-party program authorized by MRA. Firms designated as European Union (EU) CABs could conduct quality system evaluations for all classes of devices and premarket 510(k) evaluations for selected devices based on FDA requirements. Under the voluntary third-party program, reports of these evaluations would be submitted by the EU CABs to FDA. The EU CABs would also be required to maintain copies of their evaluation reports.

FDA requests approval of the following collection of information:

Requests for Designation as U.S. CABs—Under this program, U.S. companies were allowed to apply for designation as a U.S. CAB. Such designation enabled the company to perform third-party reviews of U.S. products for export to the EU and third-party audits of quality systems established by manufacturers of medical devices manufactured for export to the EU.
