

dumping margin is zero or *de minimis* in the final results of review, we will instruct CBP not to assess duties on any of its entries in accordance with the *Final Modification for Reviews, i.e.,* “{w}here the weighted-average margin of dumping for the exporter is determined to be zero or *de minimis*, no antidumping duties will be assessed.”¹⁵

For entries of subject merchandise during the POR produced by NSC and Tokyo Steel for which the producer did not know its merchandise was destined for the United States, or for any respondent for which we have a final determination of no shipments, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company (or companies) involved in the transaction.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent, and therefore *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the underlying investigation,

but the manufacturer is, then the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 5.58 percent, the all-others rate established in the less-than-fair-value investigation.¹⁷ These deposit requirements, when imposed, shall remain in effect until further notice.

We intend to disclose the calculations performed for these preliminary results of review to interested parties within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 17, 2021.

Christian Marsh,

Acting Assistant Secretary for Enforcement and Compliance.

Dongbu Steel Co., Ltd. (Dongbu Steel) and Dongbu Incheon Steel Co., Ltd. (Dongbu Incheon) for purposes of determining antidumping duty (AD) cash deposits and liabilities pursuant to the AD orders on certain cold-rolled steel flat products (cold-rolled steel) and certain corrosion-resistant steel products (CORE) from the Republic of Korea (Korea). Additionally, Commerce continues to find KG Dongbu Steel is not the successor-in-interest to Dongbu Steel and Dongbu Incheon for purposes of countervailing duty (CVD) cash deposits and liabilities pursuant to the CVD orders on cold-rolled steel and CORE, because there was a significant change in ownership and operations that could have affected the nature and extent of the countervailable subsidies attributable to KG Dongbu Steel.

SUPPLEMENTARY INFORMATION:

Background

On January 5, 2021, Commerce published the *Preliminary Results* of the changed circumstances reviews (CCRs) of the AD and CVD orders on cold-rolled steel and CORE from Korea.¹ In the *Preliminary Results*, interested parties were provided an opportunity to comment and request a public hearing regarding our preliminary findings. We received no comments from interested parties, nor was a public hearing requested.

Scope of the Orders

The products covered by these CCRs are cold-rolled steel and CORE from Korea. For full descriptions of the scope of the orders, *see* the *Preliminary Results* and accompanying Preliminary Decision Memorandum.

Final Results of the Changed Circumstances Reviews

For the reasons stated in the *Preliminary Results*, and because we received no comments from interested parties, Commerce continues to find that KG Dongbu Steel is the successor-in-interest to Dongbu Steel and Dongbu Incheon for AD purposes. As a result of

this determination, we find it appropriate to apply to KG Dongbu Steel AD cash deposits requirements and liabilities at the rates currently in effect for Dongbu Steel/Dongbu Incheon. For CVD purposes, we continue to find that changes in ownership and management were significant and, thus, that it is not appropriate to apply the CVD cash deposit requirements and liabilities currently in effect for Dongbu Steel/Dongbu Incheon to KG Dongbu Steel.

Commerce will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced or exported by KG Dongbu Steel and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at the current antidumping duty cash-deposit rate on cold-rolled steel and CORE in effect for Dongbu Steel/Dongbu Incheon. This cash deposit requirement shall remain in effect until further notice.

Notification to Interested Parties

This notice is published in accordance with sections 751(b)(1) and 777(i)(1) of the Act and 19 CFR 351.216(b), 351.221(b) and 351.221(c)(3).

Dated: February 17, 2021.
