ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, these records or information contained therein may specifically be disclosed outside the DOD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

1. To the Department of Veteran Affairs (DVA):

a. To provide military personnel and pay data for present and former military personnel for the purpose of evaluating use of veterans benefits, validating benefit eligibility and maintaining the health and well being of veterans and their family members.

b. To provide identifying military personnel data to the DVA and its insurance program contractor for the purpose of notifying separating eligible Reservists of their right to apply for Veteran's Group Life Insurance coverage under the Veterans Benefits Improvement Act of 1996 (38 U.S.C. 1968).

c. To register eligible veterans and their dependents for DVA programs.

d. Providing identification of former military personnel and survivor's financial benefit data to DVA for the purpose of identifying military retired pay and survivor benefit payments for use in the administration of the DVA's Compensation and Pension program (38 U.S.C. 5106). The information is to be used to process all DVA award actions more efficiently, reduce subsequent overpayment collection actions, and minimize erroneous payments.

e. To conduct computer matching programs regulated by the Privacy Act of 1974, as amended (5 U.S.C. 552a), for the purpose of:

(1) Providing full identification of active duty military personnel, including full time National Guard/Reserve support personnel, for use in the administration of DVA's Compensation and Pension benefit program. The information is used to determine continued eligibility for DVA disability compensation to recipients who have returned to active duty so that benefits can be adjusted or terminated as required and steps taken by DVA to collect any resulting over payment (38 U.S.C. 5304(c)).

(2) Providing military personnel and financial data to the Veterans Benefits Administration, DVA for the purpose of determining initial eligibility and any changes in eligibility status to insure proper payment of benefits for GI Bill education and training benefits by the DVA under the Montgomery GI Bill (Title 10 U.S.C., Chapter 1606—Selected Reserve and Title 38 U.S.C., Chapter 30—Active Duty). The administrative responsibilities designated to both agencies by the law require that data be exchanged in administering the programs.

(3) Providing identification of reserve duty, including full time support National Guard/Reserve military personnel, to the DVA, for the purpose

of deducting reserve time served from any DVA disability compensation paid or waiver of VA benefit. The law (10 U.S.C. 12316) prohibits receipt of reserve pay and DVA compensation for the same time period, however, it does permit waiver of DVA compensation to draw reserve pay.

(4) Providing identification of former active duty military personnel who received separation payments to the DVA for the purpose of deducting such repayment from any DVA disability compensation paid. The law requires recoupment of severance payments before DVA disability compensation can be paid (10 U.S.C. 1174).

f. To provide identifying military personnel data to the DVA for the purpose of notifying such personnel of information relating to educational assistance as required by the Veterans Programs Enhancement Act of 1998 (38 U.S.C. 3011 and 3034).

2. To the Office of Personnel Management (OPM):

a. Consisting of personnel/employment/financial data for the purpose of carrying out OPM's management functions. Records disclosed concern pay, benefits, retirement deductions and any other information necessary for those management functions required by law (Pub. L. 83-598, 84-356, 86-724, 94-455 and 5 U.S.C. 1302, 2951, 3301, 3372, 4118, 8347).

b. To conduct computer matching programs regulated by the Privacy Act of 1974, as amended (5 U.S.C. 552a) for the purpose of:

(1) Exchanging personnel and financial data to identify individuals who are improperly receiving military retired pay and credit for military service in their civil service annuities, or annuities based on the 'guaranteed minimum' disability formula. The match will identify and/or prevent erroneous payments under the Civil Service Retirement Act (CSRA) 5 U.S.C. 8331 and the Federal Employees' Retirement System Act (FERSA) 5 U.S.C. 8411. DOD's legal authority for monitoring retired pay is 10 U.S.C. 1401.

(2) Exchanging civil service and Reserve military personnel data to identify those individuals of the Reserve forces who are employed by the Federal government in a civilian position. The purpose of the match is to identify those particular individuals occupying critical positions as civilians and cannot be released for extended active duty in the event of mobilization. Employing Federal agencies are informed of the reserve status of those affected personnel so that a choice of

terminating the position or the reserve assignment can be made by the individual concerned. The authority for conducting the computer match is contained in E.O. 11190, Providing for the Screening of the Ready Reserve of the Armed Services.

c. Matching for administrative purposes to include updated employer addresses of Federal civil service employees who are reservists and demographic data on civil service employees who are reservists.

3. To the Internal Revenue Service (IRS) for the purpose of obtaining home addresses to contact Reserve component members for mobilization purposes and for tax administration. For the purpose of conducting aggregate statistical analyses on the impact of DOD personnel of actual changes in the tax laws and to conduct aggregate statistical analyses to "life stream" earnings of current and former military personnel to be used in studying the comparability of civilian and military pay benefits. To aid in administration of Federal Income Tax laws and regulations, to identify non compliance and delinquent filers.

4. To the Department of Health and Human Services (DHHS):

a. To the Office of the Inspector General, DHHS, for the purpose of identification and investigation of DOD employees and military members who may be improperly receiving funds under the Aid to Families of Dependent Children Program.

b. To the Office of Child Support Enforcement, Federal Parent Locator Service, DHHS, pursuant to 42 U.S.C. 653 and 653a; to assist in locating individuals for the purpose of establishing parentage; establishing, setting the amount of, modifying, or enforcing child support obligations; or enforcing child custody or visitation orders; and for conducting computer matching as authorized by E.O. 12953 to facilitate the enforcement of child support owed by delinquent obligors within the entire civilian Federal government and the Uniformed Services work force (active and retired). Identifying delinquent obligors will allow State Child Support Enforcement agencies to commence wage withholding or other enforcement actions against the obligors.

Note 1: Information requested by DHHS is not disclosed when it would contravene U.S. national policy or security interests (42 U.S.C. 653(e)).

Note 2: Quarterly wage information is not disclosed for those individuals performing intelligence or counter intelligence functions and a determination is made that disclosure could endanger the safety of the individual

or compromise an ongoing investigation or intelligence mission (42 U.S.C. 653(n)).

c. To the Health Care Financing Administration (HCFA), DHHS for the purpose of monitoring HCFA reimbursement to civilian hospitals for Medicare patient treatment. The data will ensure no Department of Defense physicians, interns, or residents are counted for HCFA reimbursement to hospitals.

d. To the Center for Disease Control and the National Institutes of Mental Health, DHHS, for the purpose of conducting studies concerned with the health and well being of active duty, reserve, and retired personnel or veterans, to include family members.

e. To conduct computer matching programs regulated by the Privacy Act of 1974, as amended (5 U.S.C. 552a), for the purpose of determining continued eligibility and help eliminate fraud and abuse in benefit programs by identifying individuals who are receiving Federal compensation or pension payments and also are receiving payments pursuant to Federal benefit programs being administered by the States.

5. To the Social Security Administration (SSA):

a. To the Office of Research and Statistics for the purpose of (1) conducting statistical analyses of impact of military service and use of GI Bill benefits on long term earnings, and (2) obtaining current earnings data on individuals who have voluntarily left military service or DOD civil employment so that analytical personnel studies regarding pay, retention and benefits may be conducted.

Note 3: Earnings data obtained from the SSA and used by DOD does not contain any information that identifies the individual about whom the earnings data pertains.

b. To the Bureau of Supplemental Security Income for the purpose of verifying information provided to the SSA by applicants and recipients/beneficiaries, who are retired members of the Uniformed Services or their survivors, for Supplemental Security Income (SSI) or Special Veterans' Benefits (SVB). By law (42 U.S.C. 1006 and 1383), the SSA is required to verify eligibility factors and other relevant information provided by the SSI or SVB applicant from independent or collateral sources and obtain additional information as necessary before making SSI or SVB determinations of eligibility, payment amounts, or adjustments thereto.

c. To the Client Identification Branch for the purpose of validating the assigned Social Security Number for

individuals in DOD personnel and pay files, using the SSA Enumeration Verification System (EVS).

6. To the Selective Service System (SSS) for the purpose of facilitating compliance of members and former members of the Armed Forces, both active and reserve, with the provisions of the Selective Service registration regulations (50 U.S.C. App. 451 and E.O. 11623).

7. To the Department of Labor (DOL) to reconcile the accuracy of unemployment compensation payments made to former DOD civilian employees and military members by the states. To the Department of Labor to survey military separations to determine the effectiveness of programs assisting veterans to obtain employment.

8. To Federal and Quasi Federal agencies, territorial, state, and local governments to support personnel functions requiring data on prior military service credit for their employees or for job applications. Information released includes name, Social Security Number, and military or civilian address of individuals. To detect fraud, waste and abuse pursuant to the authority contained in the Inspector General Act of 1978, as amended (Pub. L. 95-452) for the purpose of determining eligibility for, and/or continued compliance with, any Federal benefit program requirements.

9. To consumer reporting agencies to obtain current addresses of separated military personnel to notify them of potential benefits eligibility.

10. To state and local law enforcement investigative agencies to obtain criminal history information for the purpose of evaluating military service performance and security clearance procedures (10 U.S.C. 2358).

11. To Federal and Quasi Federal agencies, territorial, state and local governments, and contractors and grantees for the purpose of supporting research studies concerned with the health and well being of active duty, reserve, and retired personnel or veterans, to include family members. DMDC will disclose information from this system of records for research purposes when DMDC:

a. Has determined that the use or disclosure does not violate legal or policy limitations under which the record was provided, collected, or obtained;

b. Has determined that the research purpose (1) cannot be reasonably accomplished unless the record is provided in individually identifiable form, and (2) warrants the risk to the privacy of the individual that additional exposure of the record might bring;

c. Has required the recipient to (1) establish reasonable administrative, technical, and physical safeguards to prevent unauthorized use or disclosure of the record, and (2) remove or destroy the information that identifies the individual at the earliest time at which removal or destruction can be accomplished consistent with the purpose of the research project, unless the recipient has presented adequate justification of a research or health nature for retaining such information, and (3) make no further use or disclosure of the record except (A) in emergency circumstances affecting the health or safety of any individual, (B) for use in another research project, under these same conditions, and with written authorization of the Department, (C) for disclosure to a properly identified person for the purpose of an audit related to the research project, if information that would enable research subjects to be identified is removed or destroyed at the earliest opportunity consistent with the purpose of the audit, or (D) when required by law;

d. Has secured a written statement attesting to the recipient's understanding of, and willingness to abide by these provisions.

12. To the Educational Testing Service, American College Testing, and like organizations for purposes of obtaining testing, academic, socioeconomic, and related demographic data so that analytical personnel studies of the Department of Defense civilian and military workforce can be conducted.

Note 4: Data obtained from such organizations and used by DOD does not contain any information that identifies the individual about whom the data pertains.

13. To Federal and State agencies for purposes of obtaining socioeconomic information on Armed Forces personnel so that analytical studies can be conducted with a view to assessing the present needs and future requirements of such personnel.

14. To Federal and state agencies for purposes of validating demographic data (e.g., Social Security Number, citizenship status, date and place of birth, etc.) for individuals in DOD personnel and pay files so that accurate information is available in support of DOD requirements.

15. To the Bureau of Citizenship and Immigration Services, Department of Homeland Security, for purposes of facilitating the verification of individuals who may be eligible for expedited naturalization (Pub. L. 108-136, Section 1701, and E.O. 13269, Expedited Naturalization).

16. To Federal and State agencies, as well as their contractors and grantees, for purposes of providing military wage, training, and educational information so that Federal-reporting requirements, as mandated by statute, such as the Workforce Investment Act (29 U.S.C. 2801, et seq.) and the Carl D. ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, these records or information contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

1. To the Social Security Administration (SSA) to perform computer data matching against the SSA Wage and Earnings Record file for the purpose of identifying employers of Department of Defense (DoD) beneficiaries eligible for health care. This employer data will in turn be used to identify those employed beneficiaries who have employment-related group health insurance, to coordinate insurance benefits provided by DoD with those provided by the other insurance. This information will also be used to perform computer data matching against the SSA Master Beneficiary Record file for the purpose of identifying DoD beneficiaries eligible for health care who are enrolled in the Medicare Program, to coordinate insurance benefits provided by DoD with those provided by Medicare.

2. To other Federal agencies and state, local and territorial governments to identify fraud and abuse of the Federal agency's programs and to identify debtors and collect debts and

overpayment in the DoD health care programs.

3. To each of the fifty states and the District of Columbia for the purpose of conducting an on going computer matching program with state Medicaid agencies to determine the extent to which state Medicaid beneficiaries may be eligible for Uniformed Services health care benefits, including CHAMPUS, TRICARE, and to recover Medicaid monies from the CHAMPUS program.

4. To provide dental care providers assurance of treatment eligibility.

5. To Federal agencies and/or their contractors, in response to their requests, for purposes of authenticating the identity of individuals who, incident to the conduct of official DoD business, present the Common Access Card or similar identification as proof of identity to gain physical or logical access to government and contractor facilities, locations, networks, or systems.

6. To State and local child support enforcement agencies for purposes of providing information, consistent with the requirements of 29 U.S.C. 1169(a), 42 U.S.C. 666(a)(19), and E.O. 12953 and in response to a National Medical Support Notice (NMSN) (or equivalent notice if based upon the statutory authority for the NMSN), regarding the military status of identified individuals and whether, and for what period of time, the children of such individuals are or were eligible for DoD health care coverage.

Note: Information requested by the States is not disclosed when it would contravene U.S. national policy or security interests (42 U.S.C. 653(e)).

7. To the Department of Health and Human Services (HHS):

a. for purposes of providing information, consistent with the requirements of 42 U.S.C. 653 and in response to an HHS request, regarding the military status of identified individuals and whether, and for what period of time, the children of such individuals are or were eligible for DoD healthcare coverage.

Note: Information requested by HHS is not disclosed when it would contravene U.S. national policy or security interests (42 U.S.C. 653(e)).

b. for purposes of providing information so that specified Medicare determinations, specifically late enrollment and waiver of penalty, can be made for eligible (1) DoD military retirees and (2) spouses (or former spouses) and/or dependents of either military retirees or active duty military personnel, pursuant to section 625 of

the Medicare Prescription Drug, Improvement, and Modernization Act of 2002 (as codified at 42 U.S.C. 1395p and 1395r).

c. To the Office of Child Support Enforcement, Federal Parent Locator Service, pursuant to 42 U.S.C. 653 and 653a; to assist in locating individuals for the purpose of establishing parentage; establishing, setting the amount of, modifying, or enforcing child support obligations; or enforcing child custody or visitation orders; the relationship to a child receiving benefits provided by a third party and the name and SSN of those third party providers who have a legal responsibility. Identifying delinquent obligors will allow State Child Support Enforcement agencies to commence wage withholding or other enforcement actions against the obligors.

8. To the American Red Cross for purposes of providing emergency notification and assistance to members of the Armed Forces, retirees, family members or survivors.

9. To the Department of Veterans Affairs (DVA):

a. To provide military personnel and pay data for present and former military personnel for the purpose of evaluating use of veterans' benefits, validating benefit eligibility and maintaining the health and well being of veterans and their family members.

b. To provide identifying military personnel data to the DVA and its insurance program contractor for the purpose of notifying separating eligible Reservists of their right to apply for Veteran's Group Life Insurance coverage under the Veterans Benefits Improvement Act of 1996 (38 U.S.C. 1968) and for DVA to administer the Traumatic Servicemember's Group Life Insurance (TSGLI) (Traumatic Injury Protection Rider to Servicemember's Group Life Insurance (TSGLI), 38 CFR part 9.20).

c. To register eligible veterans and their dependents for DVA programs.

d. Providing identification of former military personnel and survivor's financial benefit data to DVA for the purpose of identifying military retired pay and survivor benefit payments for use in the administration of the DVA's Compensation and Pension Program (38 U.S.C. 5106). The information is to be used to process all DVA award actions more efficiently, reduce subsequent overpayment collection actions, and minimize erroneous payments.

e. To conduct computer matching programs regulated by the Privacy Act of 1974, as amended (5 U.S.C. 552a), for the purposes of:

(1) Providing full identification of active duty military personnel, including full time National Guard/Reserve support personnel, for use in the administration of DVA's Compensation and Pension benefit program. The information is used to determine continued eligibility for DVA disability compensation to recipients who have returned to active duty so that benefits can be adjusted or terminated as required and steps taken by DVA to collect any resulting over payment (38 U.S.C. 5304(c)).

(2) Providing military personnel and financial data to the Veterans Benefits Administration, DVA for the purpose of determining initial eligibility and any changes in eligibility status to insure proper payment of benefits for GI Bill education and training benefits by the DVA under the Montgomery GI Bill (Title 10 U.S.C., Chapter 1606—Selected Reserve and Title 38 U.S.C., Chapter 30—Active Duty), the REAP educational benefit (Title 10 U.S.C., Chapter 1607), and the National Call to Service enlistment educational benefit (Title 10, Chapter 510). The administrative responsibilities designated to both agencies by the law require that data be exchanged in administering the programs.

(3) Providing identification of reserve duty, including full time support National Guard/Reserve military personnel, to the DVA, for the purpose of deducting reserve time served from any DVA disability compensation paid or waiver of VA benefit. The law (10 U.S.C. 12316) prohibits receipt of reserve pay and DVA compensation for the same time period, however, it does permit waiver of DVA compensation to draw reserve pay.

(4) Providing identification of former active duty military personnel who received separation payments to the DVA for the purpose of deducting such repayment from any DVA disability compensation paid. The law requires recoupment of severance payments before DVA disability compensation can be paid (10 U.S.C. 1174).

f. To provide identifying military personnel data to the DVA for the purpose of notifying such personnel of information relating to educational assistance as required by the Veterans Programs Enhancement Act of 1998 (38 U.S.C. 3011 and 3034).

10. To DoD Civilian Contractors and grantees for the purpose of performing research on manpower problems for statistical analyses.

11. To consumer reporting agencies to obtain current addresses of separated military personnel to notify them of potential benefits eligibility.

12. To Defense contractors to monitor the employment of former DoD employees and military members subject to the provisions of 41 U.S.C. 423.

13. To Federal and Quasi Federal agencies, territorial, state, and local governments to support personnel functions requiring data on prior military service credit for their employees or for job applications. To determine continued eligibility and help eliminate fraud and abuse in benefit programs and to collect debts and over payments owed to these programs. Information released includes name, Social Security Number, and military or civilian address of individuals. To detect fraud, waste and abuse pursuant to the authority contained in the Inspector General Act of 1978, as amended (Pub. L. 95–452) for the purpose of determining eligibility for, and/or continued compliance with, any Federal benefit program requirements.

14. To Federal and Quasi Federal agencies, territorial, state and local governments, and contractors and grantees for the purpose of supporting research studies concerned with the health and well being of active duty, reserve, and retired personnel or veterans, to include family members. DMDC will disclose information from this system of records for research purposes when DMDC:

a. Has determined that the use or disclosure does not violate legal or policy limitations under which the record was provided, collected, or obtained;

b. Has determined that the research purpose (1) cannot be reasonably accomplished unless the record is provided in individually identifiable form, and (2) warrants the risk to the privacy of the individual that additional exposure of the record might bring;

c. Has required the recipient to (1) establish reasonable administrative, technical, and physical safeguards to prevent unauthorized use or disclosure of the record, and (2) remove or destroy the information that identifies the individual at the earliest time at which removal or destruction can be accomplished consistent with the purpose of the research project, unless the recipient has presented adequate justification of a research or health nature for retaining such information, and (3) make no further use or disclosure of the record except (A) in emergency circumstances affecting the health or safety of any individual, (B) for use in another research project, under these same conditions, and with written authorization of the Department, (C) for disclosure to a properly

identified person for the purpose of an audit related to the research project, if information that would enable research subjects to be identified is removed or destroyed at the earliest opportunity consistent with the purpose of the audit, or (D) when required by law;

d. Has secured a written statement attesting to the recipients' understanding of, and willingness to abide by these provisions.

15. To Federal and State agencies for purposes of obtaining socioeconomic information on Armed Forces personnel so that analytical studies can be conducted with a view to assessing the present needs and future requirements of such personnel.

16. To Federal and state agencies to validate demographic data (e.g., Social Security Number, citizenship status, date and place of birth, etc.) for individuals in DoD personnel and pay files so that accurate information is available in support of DoD requirements.

17. To the Bureau of Citizenship and Immigration Services, Department of Homeland Security, for purposes of facilitating the verification of individuals who may be eligible for expedited naturalization (Pub. L. 108–136, Section 1701, and E.O. 13269, Expedited Naturalization).

18. To the Federal voting program to provide unit and e-mail addresses for the purpose of notifying the military members where to obtain absentee ballots.

19. To the Department of Homeland Security for the conduct of studies related to the health and well-being of Coast Guard members and to authenticate and identify Coast Guard personnel.

20. To Coast Guard recruiters in the performance of their assigned duties.
