

administered every other year since January 2009. The previous survey questionnaires and survey results can be accessed through the following link: <http://fdic.gov/analysis/household-survey>.

In accordance with the statutory mandate to conduct the surveys on an ongoing basis, the FDIC already has in place arrangements for conducting the eighth Household Survey as a supplement to the June 2023 CPS. Prior to finalizing the 2023 survey questionnaire, the FDIC seeks to solicit public comment on whether changes to the existing instrument are desirable and, if so, to what extent. It should be noted that, as a supplement of the CPS survey, the Household Survey needs to adhere to specific parameters that include limits in the length and sensitivity of the questions that can be asked of CPS respondents. Interested members of the public may obtain a copy of the proposed survey questionnaire on the following web page: <https://www.fdic.gov/resources/regulations/federal-register-publications/2023/2023-fdic-household-survey-instrument.pdf>.

#### Request for Comment

*Comments are invited on:* (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.
