

f. Comprehensiveness of the plan to protect the rights and confidentiality of all participants.

g. Thoroughness of statistical analysis plans, including data cleaning, management, and substantive analyses, and plans for timely provision of data for pooled analyses.

h. Extent to which study proposal demonstrates agreement to comply with multi-site research requirements (e.g., common protocol, data collection, and computer and data management systems).

i. The degree to which the applicant has met the HHS Policy requirements regarding the inclusion of ethnic and racial groups in the proposed research. This includes: (1) the proposed plan for the inclusion of racial and ethnic minority populations for appropriate representation; (2) the proposed justification when representation is limited or absent; (3) a statement as to whether the design of the study is adequate to measure differences when warranted;

j. Provide a statement as to whether the plans for recruitment and outreach for study participants include the process of establishing partnerships with communities and recognition of mutual benefits.

k. Provide general time line for conducting the research and a detailed time line for the first year of the study, including measurable process objectives for the first year of the study.

3. Demonstration of Staff's Capability to Conduct Research (20 points)

a. Applicant's ability to carry out the proposed research as demonstrated by the training, experience, and expertise of the principal investigator and the proposed research team and organizational setting, including demonstration of ability to collect, manage, and analyze accurate data in a timely manner.

b. Evidence of plan for establishing a partnership with at least one community based organization to link participants with prevention and medical services as needed, and to consult on study procedures as needed.

c. Demonstration of epidemiologic, behavioral intervention, clinical, administrative, and management expertise needed to conduct the proposed research.

d. Demonstration that principal investigator and staff have experience working with the targeted population of study participants.

e. Demonstration that investigative team includes a staff member with expertise in qualitative formative data analysis.

4. Staffing, Facilities, and Time-Line (15 points)

a. Availability of qualified personnel with realistic and sufficient percentage-time commitments (including an estimated staffing plan for years in which intervention activities will occur); clarity of the described duties and responsibilities of project personnel including clear lines of authority and supervisory capacity over the behavioral, epidemiologic, clinical, administrative, data management, and statistical aspects of the research.

b. Adequacy of the facilities, equipment, data processing and analysis capacity, and systems for management of data security and participant confidentiality.

c. Adequacy of base staff to keep pace with anticipated workload.

d. Adequacy of time-line for conducting the research.

5. Other (not scored)

a. Budget: The extent to which it is reasonable, clearly justified, consistent with the intended use of funds, and allowable. All budget categories should be itemized.

b. Human Subjects: The application adequately address the requirements of Title 45 CFR Part 46 for the protection of human subjects.

Meetings

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following committee meeting:

Name: Safety and Occupational Health Study Section (SOHSS), National Institute for Occupational Safety and Health (NIOSH).

Times and Dates: 8:30 a.m.—5:30 p.m., June 27, 2002. 8 a.m.—5 p.m., June 28, 2002.

Place: The Churchill Hotel, 1914 Connecticut Avenue, NW., Washington, DC, telephone 202/797-2000.

Status: Open 8:30 a.m.—9:30 a.m., June 27, 2002. Closed 9:30 a.m.—5:30 p.m., June 27, 2002. Closed 8 a.m.—5 p.m., June 28, 2002.

Purpose: The Safety and Occupational Health Study Section will review, discuss, and evaluate grant application(s) received in response to the Institute's standard grants review and funding cycles pertaining to research issues in occupational safety and health, and allied areas. It is the intent of the NIOSH to support broad-based research endeavors in keeping with the Institute's program goals. This will lead to improved understanding and appreciation for the magnitude of the aggregate health burden associated with occupational injuries and

illnesses, as well as to support more focused research projects, which will lead to improvements in the delivery of occupational safety and health services and the prevention of work-related injury and illness. It is anticipated that research funded will promote these program goals.

Matters to be Discussed: The meeting will convene in open session from 8:30–9:30 a.m. on June 27, 2002, to address matters related to the conduct of Study Section business. The remainder of the meeting will proceed in closed session. The purpose of the closed sessions is for the SOHSS to consider safety and occupational health-related grant applications. These portions of the meeting will be closed to the public in accordance with provisions set forth in section 552b(c)(4) and (6) title 5 U.S.C., and the Determination of the Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention, pursuant to Pub. L. 92-463.

Agenda items are subject to change as priorities dictate.

Contact Person for More Information: Charles N. Rafferty, Ph.D., NIOSH Scientific Review Administrator, 6701 Rockledge Drive, Room 4114, MSC 7816, Bethesda, Maryland 20892, telephone 301/435-3562, fax 301/480-2644.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: May 17, 2002.

John Burckhardt,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.
