Reorganization of Title 30—Renewable Energy and Alternate Uses of Existing Facilities on the Outer Continental Shelf; Correction

AGENCY: Bureau of Safety and Environmental Enforcement (BSEE), Interior.

ACTION: Correcting amendment.

SUMMARY: BSEE is publishing a correcting amendment to substitute new Office of Management and Budget (OMB) Control Number 1014–0034 for the placeholder included in the Paperwork Reduction Act statements—information collection promulgated in the final rule.

DATES: This correcting amendment is effective on August 14, 2023.

FOR FURTHER INFORMATION CONTACT: Nikki Mason, Program Analyst, at regs@bsee.gov, 703–787–1607.

SUPPLEMENTARY INFORMATION: BSEE is publishing a correction to the final rule, *Reorganization of Title 30—Renewable Energy and Alternate Uses of Existing Facilities on the Outer Continental Shelf*, which published in the **Federal Register** on January 31, 2023 [88 FR 6376], to add the OMB control number to BSEE's new § 285.114, *Paperwork Reduction Act statements—information collection*. Because the OMB control number could not be issued prior to publication of the final rule, BSEE included a placeholder for the control number at the relevant location in the regulation. OMB has since issued the control number, and this correction substitutes that number for the placeholder. Because this correction is clerical in nature only and does not impact the rights or interests of any party under the final rule, BSEE has good cause for not publishing this

correction for notification and public comment, since such a publication is unnecessary.

Accordingly, the Bureau of Safety and Environmental Enforcement is making the correcting amendment to 30 CFR part 285 as follows:

PART 285—RENEWABLE ENERGY AND ALTERNATE USES OF EXISTING FACILITIES ON THE OUTER CONTINENTAL SHELF

■ 1. The authority citation for part 285 continues to read as follows:

Authority: 43 U.S.C. 1331 *et seq.*

■ 2. Amend § 285.114 by revising paragraph (a) to read as follows:

§ 285.114 Paperwork Reduction Act statements—information collection.

(a) The Office of Management and Budget (OMB) has approved the information collection requirements in 30 CFR part 285 under 43 U.S.C. 1331 *et seq.* and assigned OMB Control Number 1014–0034. The table in paragraph (e) of this section lists the subparts in the rule requiring the information and its title, summarizes the reasons for collecting the information, and summarizes how BSEE uses the information.

RIN 1625–AA00

Safety Zone; Ohio River Mile Markers 90.4–91, Wheeling, WV

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is proposing to establish a temporary safety zone for the Ohio River on August 23, 2023, at mile marker 90.4 to mile marker 91 from 5 through 9 p.m. This action is necessary to provide for the safety of life on the navigable waters during a floating lantern festival. This rule prohibits persons and vessels from being in the safety zone unless authorized by the Captain of the Port Pittsburgh (COTP) or a designated representative.

DATES: This rule is effective on August 23, 2023, from 5 through 9 p.m.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2023–0610 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable and contrary to the public interest. This safety zone must be established by August 23, 2023, to provide for the safety of life on the navigable waters during a floating lantern festival, and we lack sufficient time to provide a reasonable comment period and then consider those comments before issuing this rule. The NPRM process would delay the establishment of the safety zone until

after the date of the floating lantern festival. Vessels inside of the safety zone have the potential of ruining over the lanterns.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to the public interest because action is needed by August 23, 2023, to ensure the safety of the life on the navigable waters during the floating lantern festival.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Pittsburgh (COTP) has determined that potential hazards associated with a floating lantern festival on August 23, 2023, will be a safety concern for anyone on the Ohio River from mile markers 90.4 to mile marker 91 from 5 to 9 p.m. The purpose of this rule is to ensure safety of the participant, vessels, and the navigable waters in the safety zone before, during, and after the scheduled event.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from 5 until 9 p.m. on August 23, 2023. The safety zone will cover all navigable waters on the Ohio River from mile markers 90.4 to mile marker 91. The duration of the zone is intended to protect personnel, vessels, and the marine environment in the navigable waters during a floating lantern festival.

No vessel or person is permitted to enter the safety zone without obtaining permission from the COTP or a designated representative of the COTP. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard (USCG) assigned to units under the operational control of the COTP. To seek permission to enter, contact the COTP or a designated representative via VHF-FM channel 16, or through Marine Safety Unit Pittsburgh at 412-221-0807. Persons and vessels permitted to enter the safety zone must comply with all lawful orders or directions issued by the COTP or designated representative. The COTP or a designated representative will inform the public of the effective period for the safety zone as well as any changes in the dates and times of enforcement through Local Notice to Mariners (LNMs), Broadcast Notices to Mariners (BNMs), and/or Marine Safety Information Bulletins (MSIBs), as appropriate.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on size, location, and duration of the temporary safety zone. This safety zone only impacts a 0.6 mile stretch on the Ohio River for 5 hours on August 23, 2023. Moreover, the Coast Guard will issue Local Notice to Mariners and Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone and the rule allows vessels to seek permission from the COTP to transit the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the

person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a temporary safety zone lasting 5 hours on August 23, 2023, on the Ohio River. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

List of Subjects in 33 CFR Part 165

Marine Safety, Navigation (water), Reporting, and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

- 2. Add § 165.T08–0610 to read as follows:

§ 165.T08–0610 Safety Zone Ohio River, Wheeling, WV.

(a) *Location.* The following area is a temporary safety zone on the Ohio River from mile marker 90.4 to mile marker 91.

(b) *Definitions.* As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer

operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Pittsburgh (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative on Channel 16 or at 412–670–4288. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This section is effective from 5 through 9 p.m. on August 23, 2023. The temporary safety zone will be enforced during the 5 hours floating lantern festival.

Eric J. Velez,

Commander, U.S. Coast Guard, Captain of the Port, MSU Pittsburgh.

DEPARTMENT OF EDUCATION

34 CFR Chapter II

[Docket ID ED–2023–OCTAE–0048]

Final Priorities, Requirements, Definitions, and Selection Criteria—Perkins Innovation and Modernization Grant Program

AGENCY: Office of Career, Technical, and Adult Education, Department of Education.

ACTION: Final priorities, requirements, definitions, and selection criteria.

SUMMARY: The Department of Education (Department) announces priorities, requirements, definitions, and selection criteria for the Perkins Innovation and Modernization (PIM) grant program, Assistance Listing Number 84.051F. The Department may use the priorities, requirements, definitions, and selection criteria for competitions in fiscal year (FY) 2023 and later years. We take this action to support grant competitions that will identify strong and well-designed projects that incorporate evidence-based and innovative strategies and activities to improve student success in secondary education, postsecondary education, and careers.

DATES: The priorities, requirements, definitions, and selection criteria are effective September 13, 2023.

FOR FURTHER INFORMATION CONTACT: Dr. Charles “Bryan” Jenkins, U.S.

Department of Education, 400 Maryland Avenue SW, Room 4A192, Washington, DC 20202. Telephone: 202–987–0815. Email: PIMGrants@ed.gov.

If you are deaf, hard of hearing, or have a speech disability and wish to access telecommunications relay services, please dial 7–1–1.

SUPPLEMENTARY INFORMATION:

Purpose of Program: The purpose of the PIM grant program is to identify, support, and independently evaluate evidence-based and innovative strategies and activities to improve and modernize career and technical education (CTE) and align workforce skills with labor market needs. The Department anticipates using the PIM authority beginning in FY 2023 to award competitive grants to support Career Connected High Schools (CCHS) that will transform public high schools by expanding existing and implementing new strategies and supports to help their students identify and navigate pathways to postsecondary education and career preparation, accrue college credit, pursue in-demand and high-value industry-recognized credentials, and gain direct experience in the workplace through work-based learning.

Program Authority: Section 114(e) of the Carl D. Perkins Career and Technical Education Act of 2006, as amended by the Strengthening Career and Technical Education for the 21st Century Act (Perkins V) (20 U.S.C. 2324).

We published a notice of proposed priorities, requirements, definitions, and selection criteria in the **Federal Register** on May 16, 2023 (88 FR 31196) (the NPP). The notice contained background information and our rationale for proposing the priorities, requirements, definitions, and selection criteria. As discussed in the *Analysis of Comments and Changes* section of this document, we made substantive changes to Priorities 1, 2, 3 and 4, Application Requirement 3, Program Requirement 3, and the selection criteria. We also added a new application requirement.

Public Comment: In response to our invitation in the NPP, 17 parties submitted comments. Generally, we do not address technical and other minor changes or suggested changes that the law does not authorize us to make. In addition, we do not address comments that are outside the scope of the NPP.

Analysis of Comments and Changes: An analysis of the comments and of any changes in the proposed priorities, requirements, definitions, and selection criteria since publication of the NPP follows. We group major issues according to subject.

Priority 1—Career-Connected High Schools.
