

100, 115, 120, 125, 145 and 205—. The costs underlying the revised TEP rates consist of two components—the Estimated TEP Costs for the period April 1, 2001 through March 31, 2002 plus the balance in the TEP Deferred Account including accumulated interest as of January 31, 2001. Appendix C contains schedules detailing the Estimated TEP Costs for the period April 1, 2001 through March 31, 2002 and Appendix D contains workpapers supporting the calculation of the TEP Deferred Account.

Transco states that it is serving copies of the instant filing to its affected customers, interested State Commissions and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments and protests may be filed electronically via the internet in lieu of paper. [Docket No. RP01-236-000]

Transcontinental Gas Pipe Line Corporation; Notice of Tariff Filing

March 7, 2001.

Take notice that on February 28, 2001, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing as part of its FERC Gas Tariff,

Third Revised Volume No. 1, certain new and revised tariff sheets. The enclosed tariff sheets, which are enumerated in Appendix B to the filing, with a proposed effective date of March 31, 2001.

Transco proposes herein to revise its tariff to reflect new customer services and business practices that will be available on 1Linesm, a new, state of the art, internet-based, service delivery computer system that will replace Transco's current computer system. As is described more fully herein, Transco's proposed tariff modifications relate specifically to the following areas:

Offering Operational Balancing Agreements at wellhead receipt points and processing plants on the Transco system;

Revising imbalance resolution provisions to establish Operational Impact Areas, implementing imbalance netting and trading and modifying the existing cash out mechanism;

Establishing Operational Controls to address adverse operational conditions which impact flexibility;

Modifying the Nomination, confirmation, and Predetermined Allocation methodologies used to determine the daily allocations and, if necessary, capacity reductions, at receipt and delivery points;

Formalizing in Transco's tariff the pooling capabilities provided by Transco by adopting a new Rate Schedule Pooling and a Form of Service Agreement for pooling service; and
Modifying and formalizing certain pipeline business practices including those relating to capacity release, scheduling equality, liquefiable hydrocarbons processing, billing and payment, daily demand rates as well as other operational and business practices on the Transco system.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. [Docket No. ER01-1091-001, et al.]

Metropolitan Edison Company, et al.; Electric Rate and Corporate Regulation Filings

March 6, 2001.

Take notice that the following filings have been made with the Commission:

1. Metropolitan Edison Company

[Docket No. ER01-1091-001]

Take notice that on March 1, 2001, Metropolitan Edison Company (doing business as and referred to as GPU Energy) submitted for filing an amendment to its January 30, 2001 filing in this proceeding.

GPU Energy states that a copy of this filing has been served upon Calpine Construction Finance Company L.P., PJM Interconnection, L.L.C., and regulators in the Commonwealth of Pennsylvania.

Comment date: March 22, 2001, in accordance with Standard Paragraph E at the end of this notice.

2. Commonwealth Edison Company

[Docket No. ER01-1356-000]

Take notice that on March 1, 2001, Commonwealth Edison Company (ComEd) submitted for filing a revised unexecuted Service Agreement for Network Integration Transmission Service (Service Agreement) between ComEd and the Illinois Municipal Electric Agency (IMEA) and a revised unexecuted Network Operating Agreement (Operating Agreement) between ComEd and the IMEA. These agreements modify and supersede a Network Integration Transmission Service Agreement and Network Operating Agreement currently on file with the Commission.

ComEd requests an effective date of February 1, 2001 for the Agreements and accordingly, seeks waiver of the Commission's notice requirements.
