Analysis of Comments Received and Changes Since the Preliminary Results

All issues raised in the case brief submitted by Auriga Polymers, Inc., Fiber Industries LLC, and Nan Ya Plastics Corporation, America are addressed in the Issues and Decision Memorandum. A list of the issues discussed in the Issues and Decision Memorandum is included as the appendix to this notice. Based on our analysis of the comments received and record information, we revised the countervailing duty (CVD) subsidy rates calculated for Reliance. These changes are explained in the Issues and Decision Memorandum.

Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁴ For a description of the methodology underlying Commerce's conclusions, see the Issues and Decision Memorandum.

Final Results of Review

In accordance with section 751(a)(1) of the Act and 19 CFR 351.221(b)(5), we find the net countervailable subsidy rate

Assessment Rates

In accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, CVDs on all appropriate entries covered by this review. Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of this publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, we also intend to instruct CBP to collect cash deposits of estimated CVDs in the amount shown above. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated CVDs at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit

requirements, effective upon publication of these final results, shall remain in effect until further notice.

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 315.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding.
